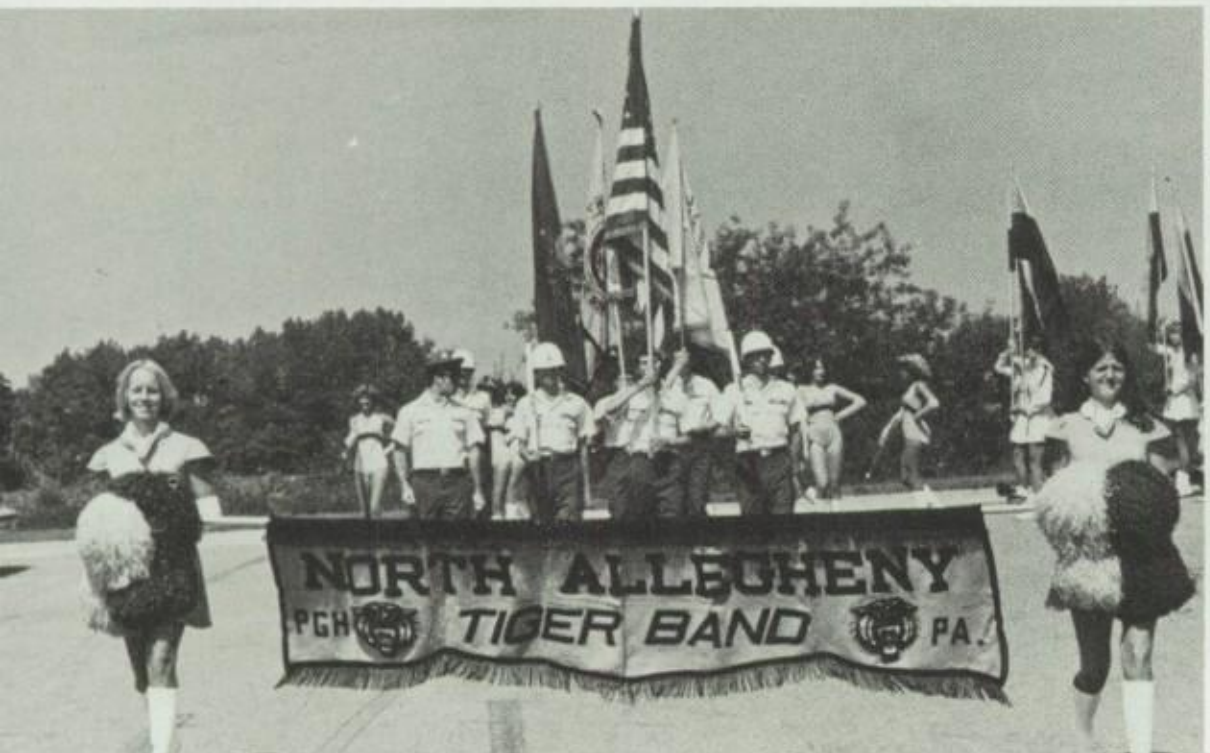
Don't let this year pass you by.
This is not just a school year –
It is a piece of your life.
Take a good, long look;
See what you might be missing.
If you miss one day, that is too much.
You will never relive this year again;
One shot is all you have
to make it count.
So stop –
Take a closer look!



Melissa,
This year has gone so fast. Maybe not for you. Labs, labs, labs! Saboteur 2 hr. lab pd.'s! Hopefully we'll have 1 pd's! Hopefully we'll be in some class of mine besides just the choir pd's! I hope you'll be in some class of mine besides choir. Thanks so much for that terrific surprise party! The cake was delicious. I hope the next time we go to Kenwood you'll be able to go. I'm glad your mom is so accomodating about this weekend. I'm sure I'll see you this summer. Have a great time in Europe!

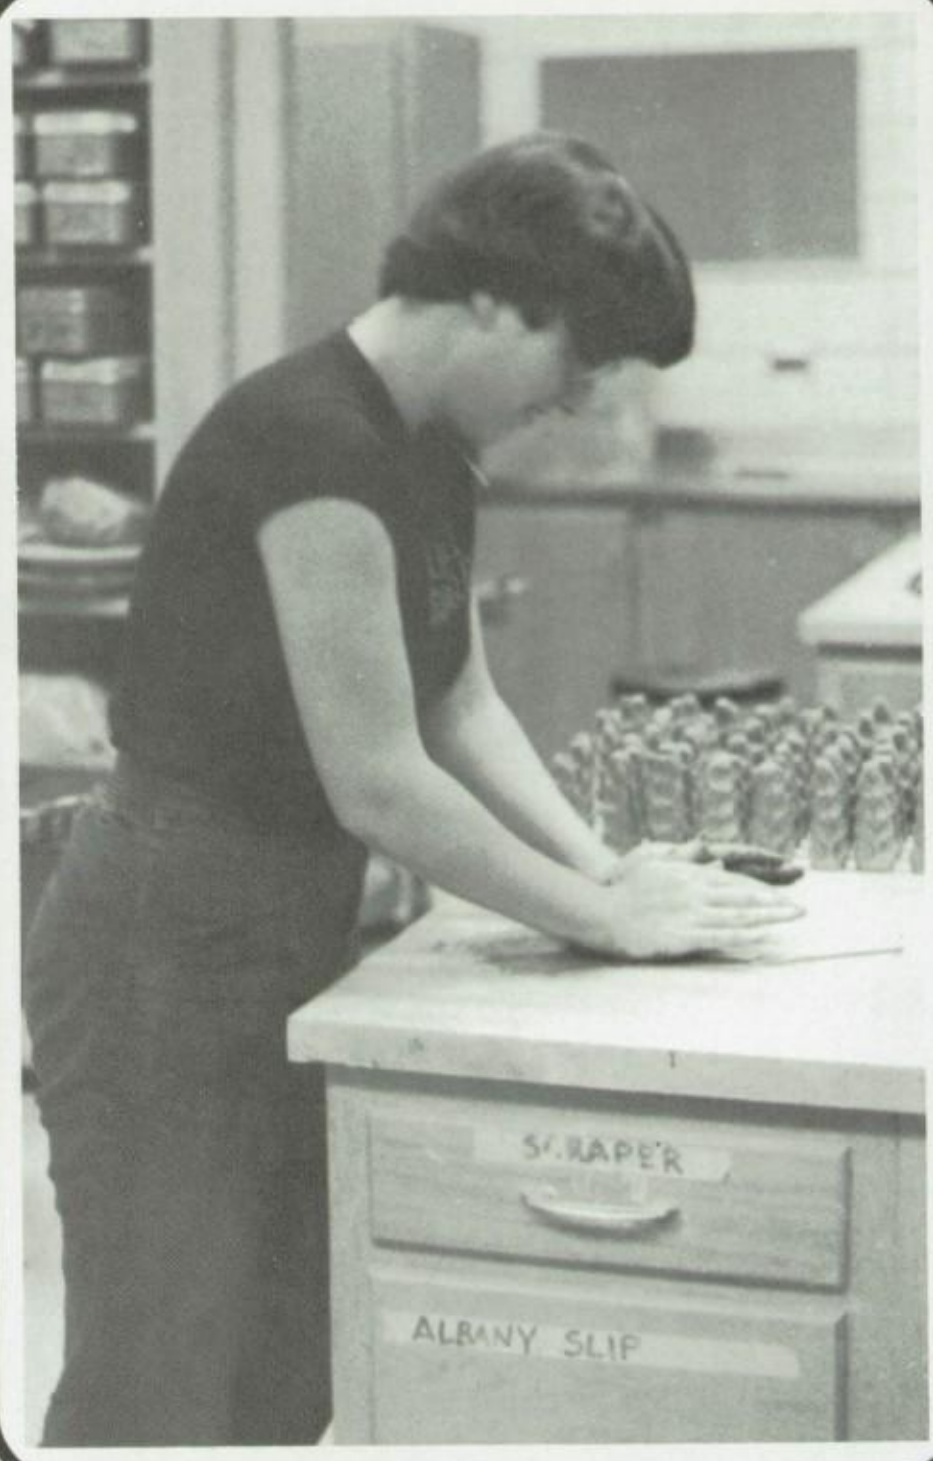
CLOSE UP



OUR PRESIDENT'S VIEW

As I look back on the past year, I experience many different feelings; the challenge, the excitement, the laughter, the memories and the school spirit were all part of the year. In leaving N.A., I'll be leaving a part of myself behind. These years will remain in my mind as four of the most fulfilling and enriching I could ever hope to experience.

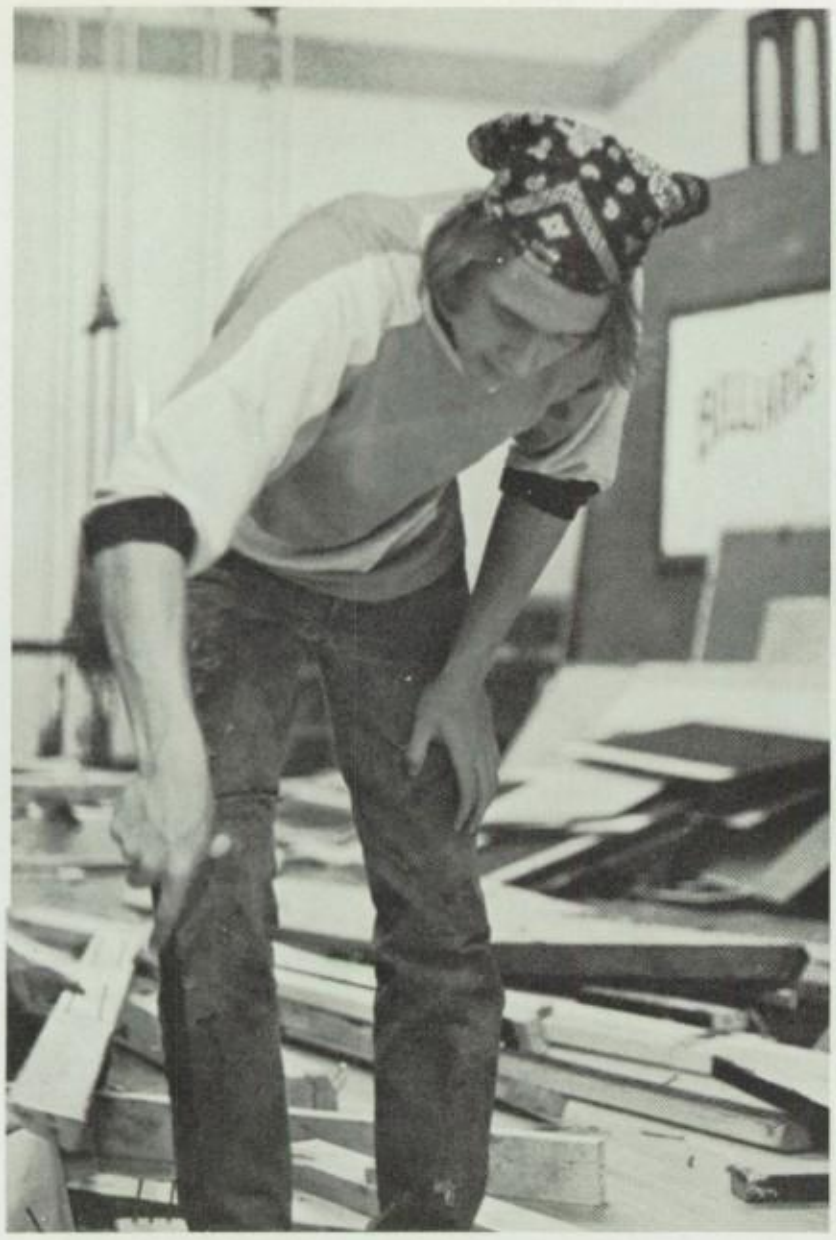
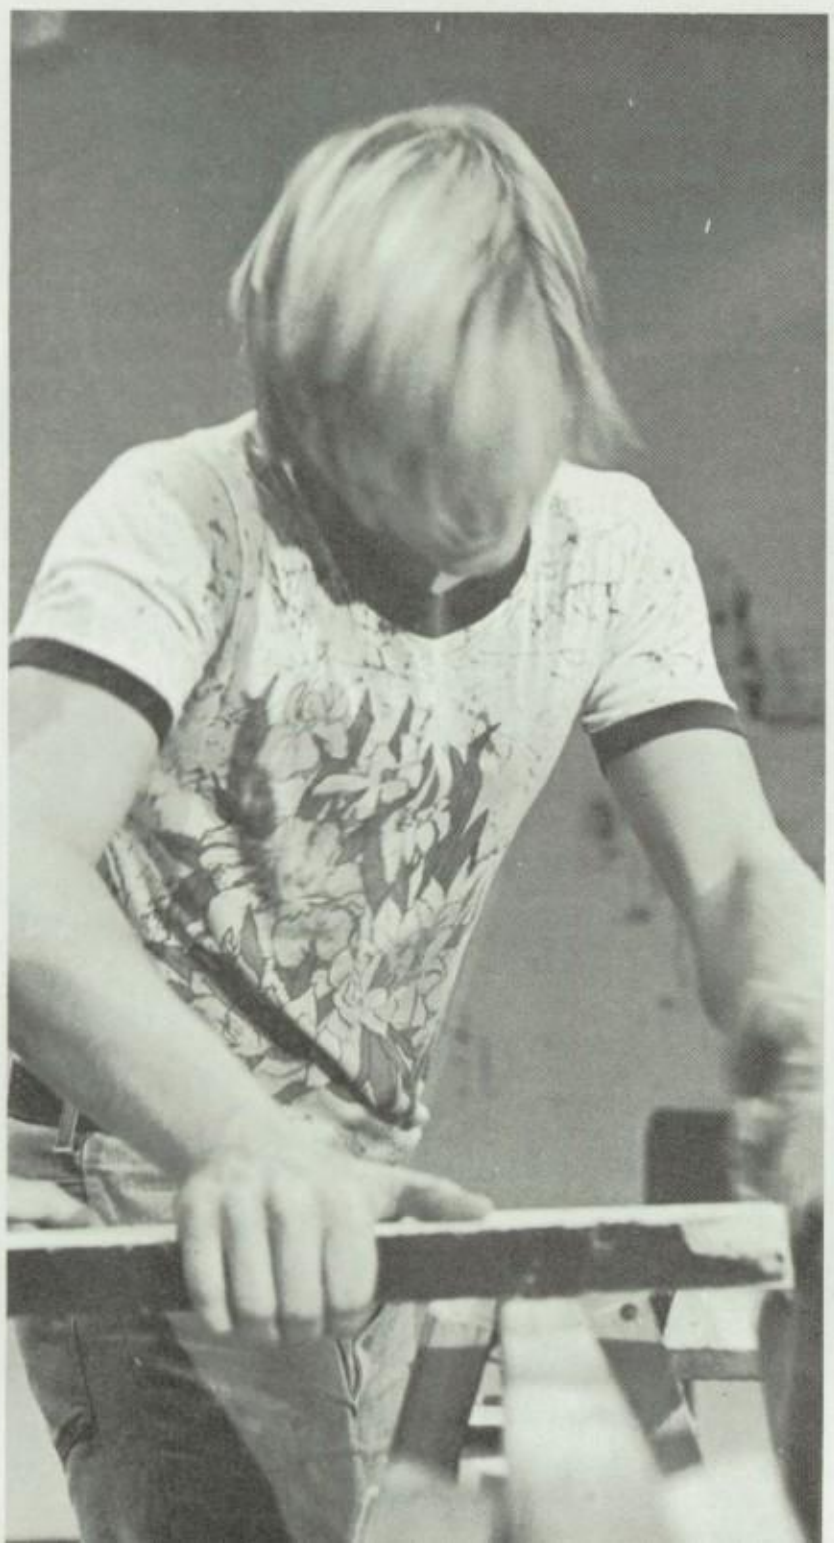
This year's fall play, *Stalag 17,* was a unique mixture of comedy and drama. The play, which was directed by Mr. John Woffington, takes place at Christmastime in a World War II German Prison camp. The story centers around a particular barracks where there seems to be a security leak. Dan Krupp, Bob Boyle, Brett Jordan, Dan Levis, Tony Lawson, Mark Miner, Todd Woodcock and Mark Yonick headed up a talented cast, realistically portraying Sefton, Stosh, Animal, Dunbar, Reed, Hoffy, Price and Schultz. To honor veterans of the real Stalag 17, the cast members invited all of them in the area to the play. Several attended, and one, Mr. Chuck Yost, an employee of the North Allegheny School District, was presented with a Stalag 17 tee shirt and named an honorary cast member.

STALAG 17

Stalag 17 ran Nov. 9-11 and Nov. 16-18, Student directors were Janet McFarland, Mary Reddick, Carolyn Riebel and Joan Zeleznik. The stage crew was headed by Linda Brock, with Guy Geissler, set construction; Lisa Goodworth, lights; Rich O'Keefe and Matt Ellis, sound; Louise Obarski chaired the prop committee; Cindy Trossen, costumes; and Patty Hourlland make-up.





STAGE CREW

What would most productions do without a set? The stage crew is always hard at work behind the scenes "setting the stage" for the performers. Many long hours are spent nailing, hammering and painting in order to prepare for the performances. But the hard work and devotion of the stage crew pays off when the curtain goes up, and the stage lights go on.

My dear Melissa,

This year truely has been the greatest for me and I sincerely feel honored that we have become so close. Melissa I really appreciate and treasure your friendship. Even though things seem rough at times remember the Lord wants the very best for you and the very best for you is not good enough for Him. Don't settle for less. May you find your pot of gold at the end of your rainbow.

Much love,
Laura

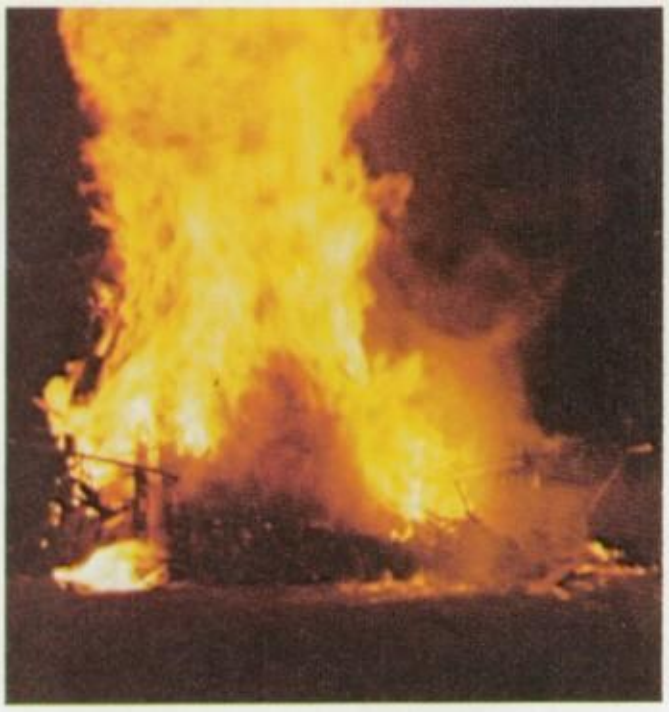
HOMECOMING

This year's homecoming was one which will long be remembered by N.A. students and alumni. The bonfire, held on Friday night, kicked off the festivities. There students watched as a stuffed North Hills Indian was thrown high into the bright yellow flames, and excitement rose in anticipation of the coming football game. On Saturday, everything went as planned as N.A.'s fabulous football team destroyed arch rival North Hills 14-7. The homecoming parade, led by our own Tiger band, depicted the Walt Disney theme with bright, colorful floats. The senior float, Pete's Dragon, took first place in the float competition, followed by the band and freshman floats respectively. Jodie Schwartz rode the senior float, Diana Ebsworth, the junior float, Hope McKeel, the sophomore float, Katie Schweers, the freshman float and Laura Phillips, the concert choir float, while Amy McElroy swung on the band float. The perfect weekend came to a perfect ending at the dance later that evening, where Jodie Schwartz was crowned Homecoming Queen. The first runner-up was Diana Ebsworth, followed by Katie Schweers as second runner-up. After a lot of planning and preparation, Homecoming Weekend, October 6-7, 1978, came to an end all too quickly, but its memories live on.



LICK 'EM TIGERS

POWDER PUFF

Held on the Friday before Homecoming, the Powder Puff football game prepared everyone for an exciting weekend. The Junior Jam girls used their unique skills to defeat the Super Senior girls by a big score of 2-0. Holly Thompson scored the two point victory on a safety early in the first quarter. The crowd, enthralled with the exciting game, also was entertained by the sexy cheerleaders.

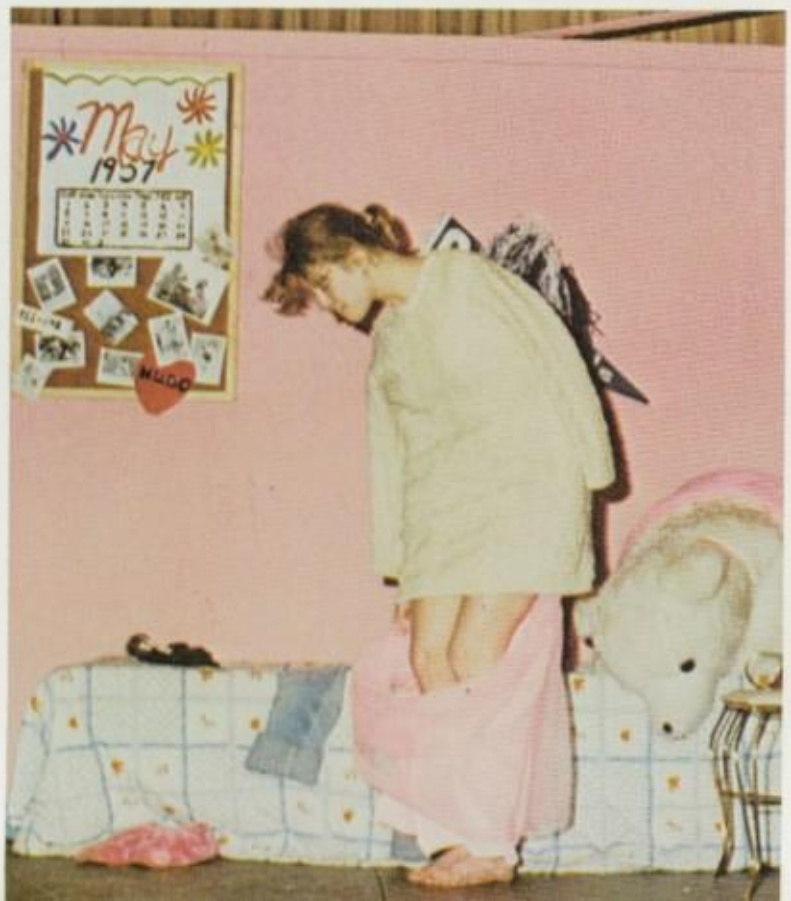
BAND CAMP

Strenuous and dedicated practice characterized the 1978 Band Camp. Held for a week at our high school, then for another week at Kiski Prep School, band camp occurred during the last two weeks of August. It was then that our outstanding band learned all of its marvelous half-time shows and parade routines. Toga parties, dances, and the band's famous initiations broke the regular routine of practice, while a special premier night, held for the members' parents, ended band camp on a happy note.

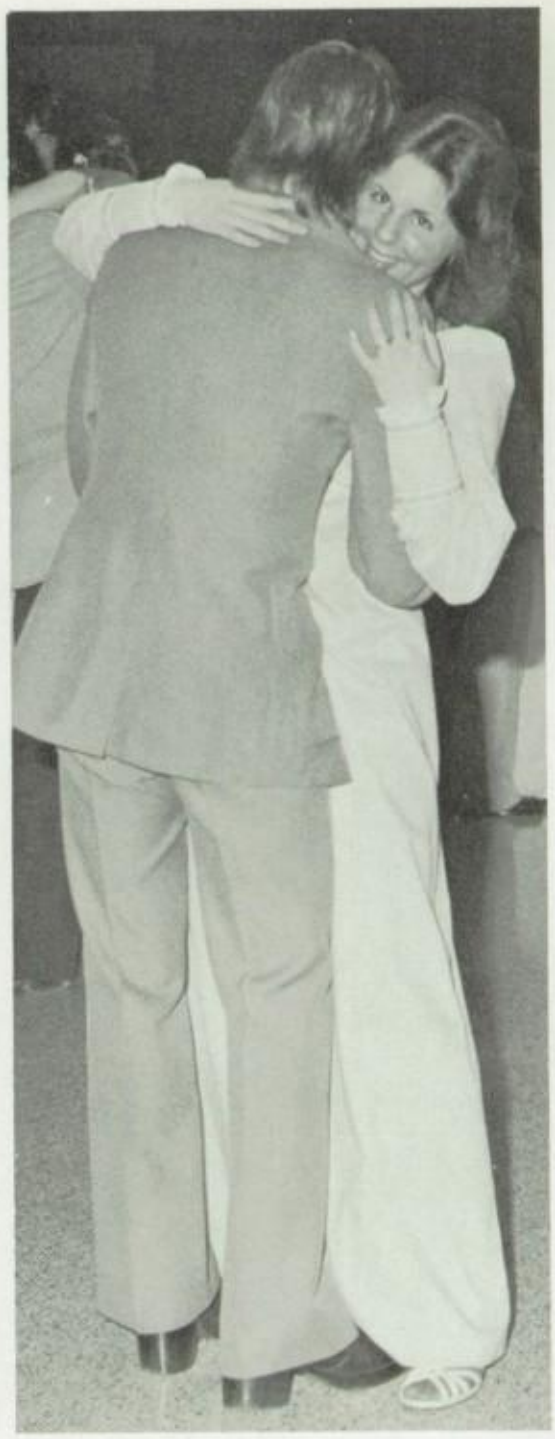
BYE BYE, BIRDIE

The 1978 spring musical, Bye Bye, Birdie, was a smash hit. Conrad Birdie, played by Dan DeMarko, thrilled the bouncing teens by bopp'n and hopp'n around the stage. Laurie Waslow, Dave Herndon and Sue Owens led the singers and dancers in captivating scenes that left the audiences applauding. The superb direction of Paul Palmer along with the excellent choreography by Key Tronzo, and the fascinating sets and lighting, gave the show excitement. The musical had the honor of being performed on the main stage at the Three Rivers Arts Festival.

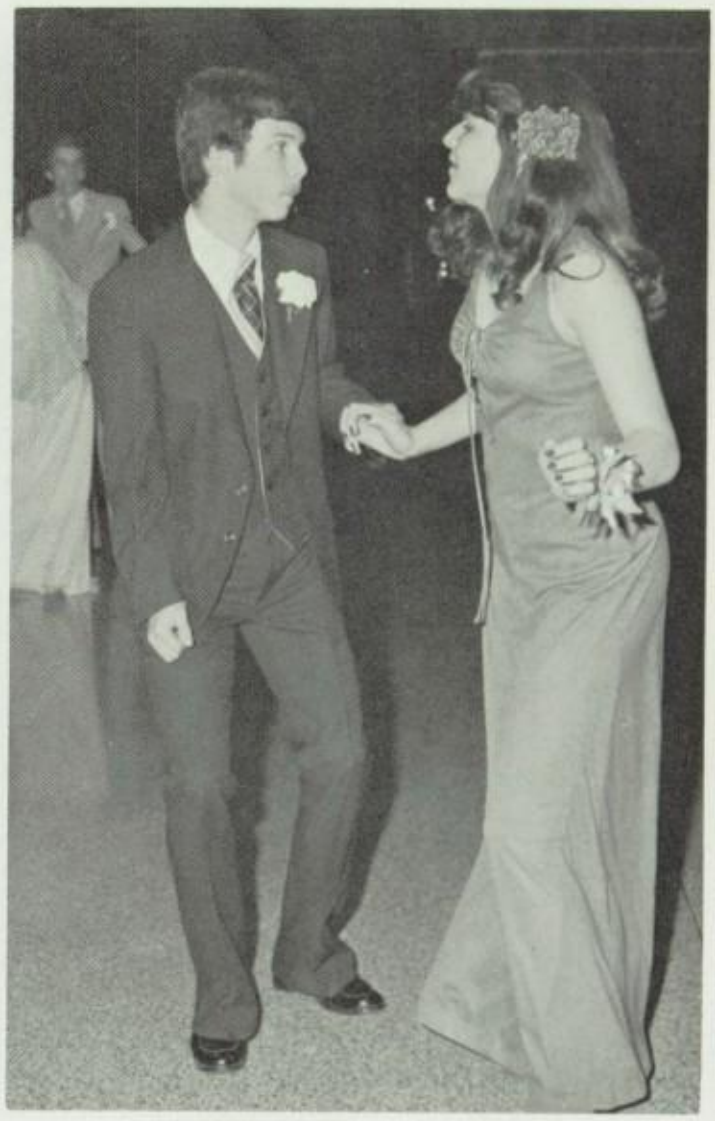


May
1957

After walking across a covered, thatched bridge, couples entered a south seas atmosphere of Fantasy Island. The cafeteria of the high school was filled with the modern sounds of Fragile, as delicious delicacies, such as fresh pineapple and a special south seas punch, were served. Tropical plants and palm trees enhanced the mood, and helped to make the 1978 Junior Prom one of the nicest ever.



JUNIOR PROM 1978



MOUNTAINEERS

This summer, the 1978 mountaineers took a trip to Olympic National Park in Washington State. Some of the mountaineers, along with Mr. Williamson, climbed to the summit of Mt. Olympus, while the others hiked through the beautiful Glacier Meadows. The trip, which ended with a five day hike along the beach of the Pacific Ocean, was one which will be held forever in the memories of every participant.

Melissa,
Well, it's been

Hope next year you'll be

Look closer ..... Participation is the name of the game. With so many different activities in which to take part, who can help becoming actively involved in our school? This will be a special year to remember for 1979 grads!

SENIOR PROM 1978

The music of Sweet Breeze swelled the ball room of the Hilton Hotel as the senior prom began on May 26, 1978. After enjoying a marvelous evening of dancing and dining, couples went to the post-prom activities held at the high school. Horse races, poker, and other casino games were enjoyed by all, as the T B sounds provided lively music. Polynesian food, served by female alumni in hula skirts, helped to depict the polynesian theme. A hypnotist highlighted the night's events, as the prom came to a sad, but fantastic ending.

JUNIOR MISS

Five North Allegheny seniors, Margaret Alongi, Nancy Catalino, Amy McElroy, Elaine Pritchard and Susan Stoerker, were among the sixteen finalists chosen to participate in the 1978 North Hills Junior Miss Pageant. For the final competition, these five girls were judged on a personal interview, poise and appearance, youth fitness, academic accomplishment, and talent. Joanne Iacobucci of North Hills won the title of Junior Miss. Margaret Alongi was the first runner-up and captured the poise and appearance award. Nancy Catalino did a fine job, taking the third runner-up position.

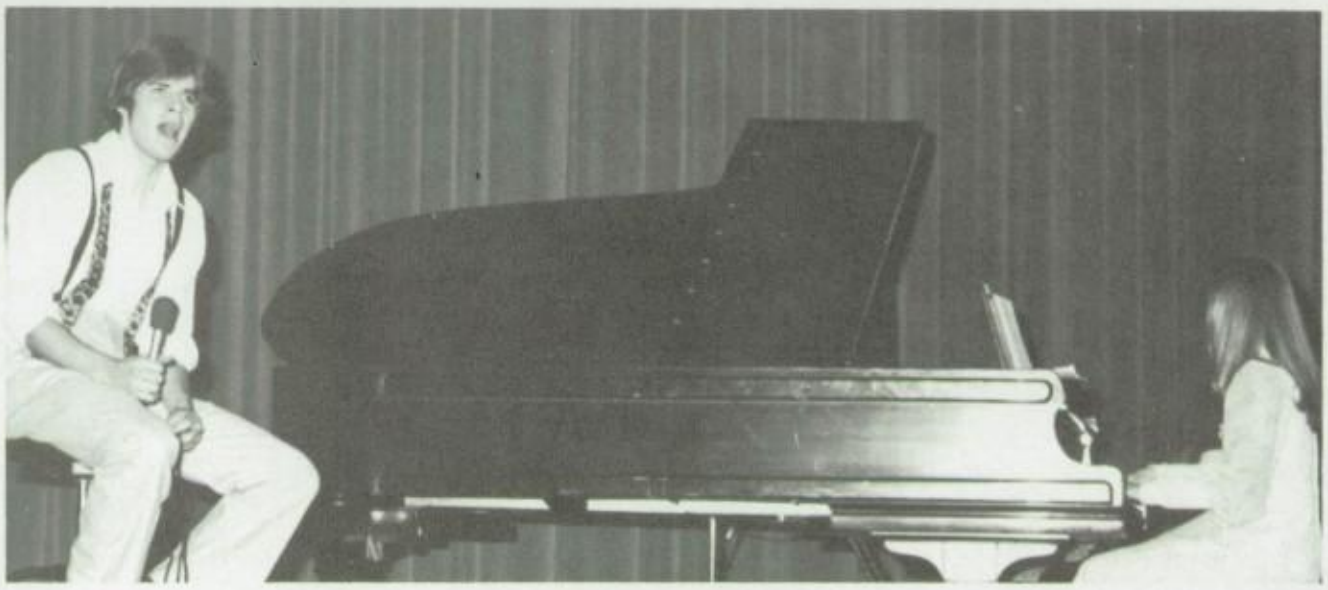
TALENT SHOW

The 1979 Talent Show was a big success. The setting was in a local bar where talent auditions were being held. The show included singing, dancing, piano playing, guitar solos, and skits. Although the participants did not have much time to practice, on opening night all of the acts, including "Grease" and the "Blues Brothers," brought the audience to their feet.



A CAROL OF CHRISTMAS

This year, the Christmas season at NA was opened with the play, "A Carol of Christmas," which students adapted from Charles Dickens' "A Christmas Carol." The play was directed by Tony Lawson, who also choreographed and starred in it. Many other talented students from the high school and intermediate school worked hard to produce the successful production. With the combination of music and laughter, the play warmed the hearts of the audience, and was a big hit. Promoted by Student Council, the proceeds from the play went towards our Christmas charities.

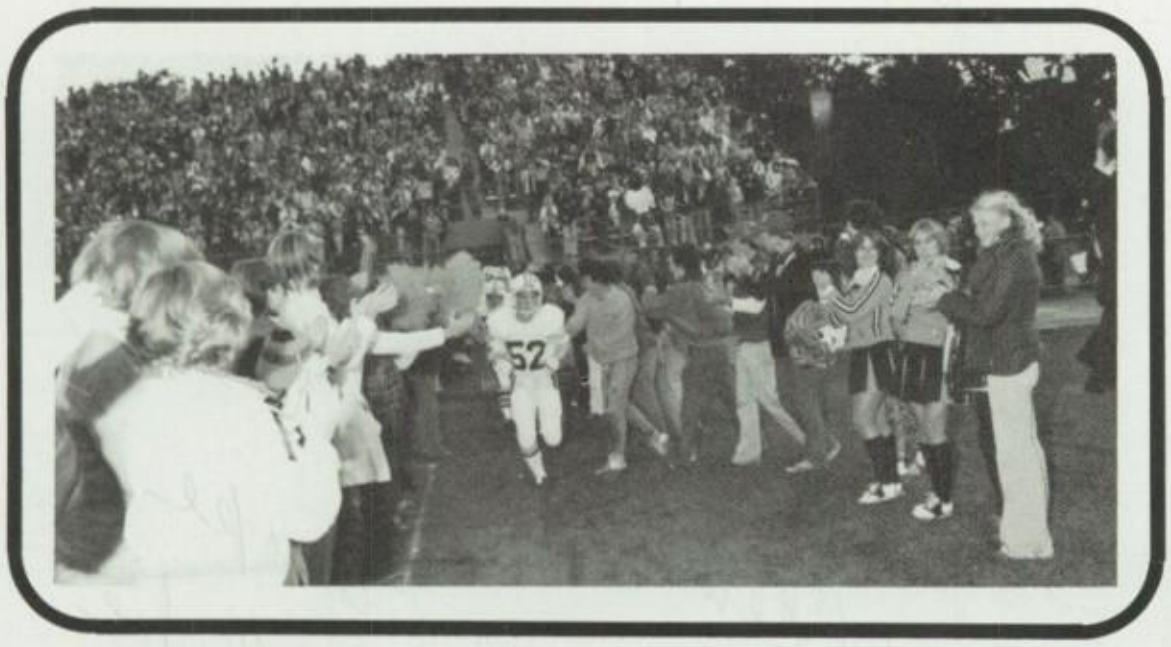
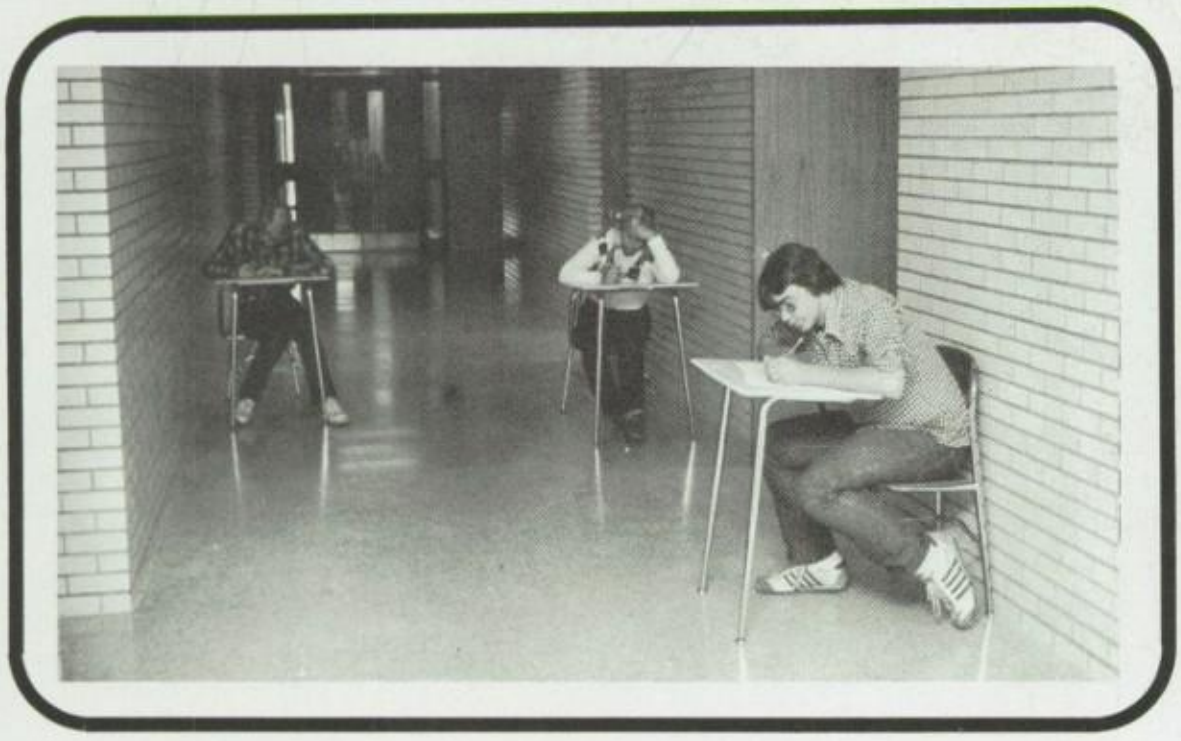
JOHN MILLER

We lost a classmate in December when John Miller died. John, a person of unmatched quality and unsurpassable character, will be remembered dearly by us forever. He affected our lives in so many ways, and his friendly presence will be greatly missed. However, deep in our hearts, varied memories of John live on, and we are thankful for the time we had to share with him.





JR.

"J-U-N-I-O-R-S, juniors are the very best!" was the cheer shouted for the junior girls in this year's annual Powder Puff football game. The girls proved they were best by beating the senior girls, 2-0, on October 6. This year's junior Homecoming float, although it didn't place in the float contest, was a fine effort. Float meetings were held at Zunics' barn; Bill Lang, President of the junior class, was in charge. Diana Ebsworth, in the Homecoming Queen competition, finished as the first runner up. This year's spring musical production of "How To Succeed In Business Without Really Trying," involved junior Darcy Bergman in the lead role of Rosemary.

Melissa,

You are a really sweet, kind person! This year has been so different for me. We have grown apart in many ways, but I guess we all must follow our own star. Always remember the great times in BSCS, Chem. and (of course) Choir. Have a great time in Europe this summer. Remember that I will be relieving my trips with you every minute you're gone.

Lots of Love,

P.S. - Choir Power!

FACULTY

Herr Bruno Schwarz, noted for his fine and dedicated coaching of NA's fantastic soccer team, was selected to coach the new Pittsburgh Spirit indoor soccer team. Beginning in the middle of December, Herr Schwarz took a sabbatical until the beginning of the 1979-80 school year. He was sorely missed by his students, fellow faculty members, and soccer players. Herr Schwarz taught at NA for twelve years, coached the soccer team, and taught evening classes at La Roche College. Our congratulations to you, Herr Schwarz, for such an outstanding accomplishment as coaching the Pittsburgh Spirit! We look forward to your return to NA next year.

Losing weight isn't an easy trick, as Mr. Palmer found out. But, his mysteriously shrinking clothes made a diet almost a neccesity. The big diet was started on November 29, 1978, and Mr. Palmer weighed in at 242¼ lbs., and set a goal of 190 lbs. Because of the perfect timing, he decided to incorporate the weight loss into a charity drive for Childrens Hospital and The Butler Rehabilitation Center. Mr. Palmer's spectacular willpower and the wonderful cooperation of the student body made the diet and charity drive a terrific success. A total of about $2800 was raised in the diet drive. Mr. Palmer lost 28 lbs. during the diet drive, but he continued his diet after the charity drive, and all of those mysteriously shrinking clothes stopped shrinking.

When the new high school building opened at the beginning of the 1974-75 school year, many students thought that Les Loxterman was the worst behaved student at NA because he was always called over the PA. Soon, however, they discovered that he was our hard working head custodian who kept our school running. If there was ever a problem, Les was there. He has been with NA for eleven years, and though he will be sorely missed, he deserves a retirement after so many years of dedicated work. Enjoy yourself Les.

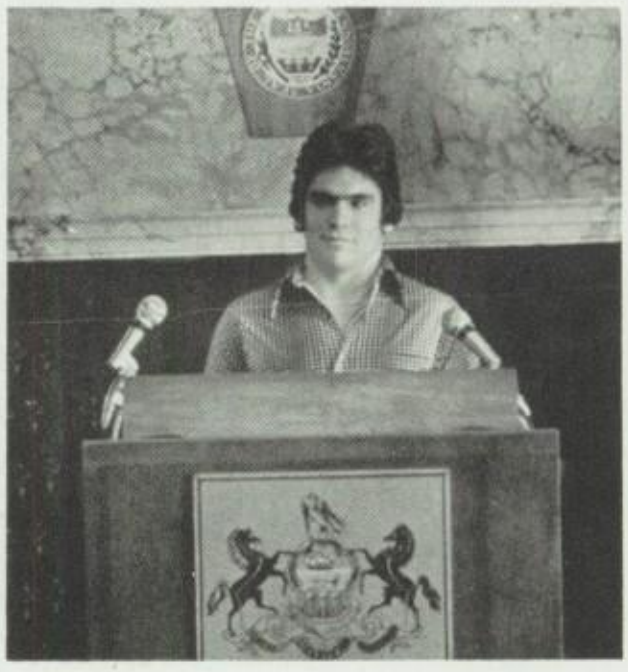
GOAL

GOAL, an organization for gifted students, has seventy-two participants at the senior high. GOAL students have many opportunities open to them such as the *GOAL Gazette* newspaper, internships, shadow studies, mentorships, independent studies, and seminars. Each month a seminar is held on subjects that are chosen by the GOAL members. In September, a seminar on orientation and career planning was held; October's seminar was a Harrisburg political action trip; November included a Future seminar; December's and January's seminar involved Ethnic Traditions; February's seminar was on Medicine and Psychology; March had a focus on the Arts program; April's seminar was a special recognition day, and the last seminar in May involved Lifetime Sports. The *GOAL Gazette* staff involves many GOAL members who, along with editors Debi Evans and Linda Brock, turn out their newspaper every month. Mrs. Pysh, the coordinatior of GOAL, helps the "goalies" put together all of their programs.



Melissa,

Having known you from biology, last year and AmericanLit, this year, I can say that you are a wonderful person with many God-given gifts. You have a high character which is exemplified in your ability to relate to people. It was nice knowing you this year as well as last year, I'm looking forward toward another year.

Sincerely,
Dan Byrd

P.S. I think you would be good in acting especially in a musical.

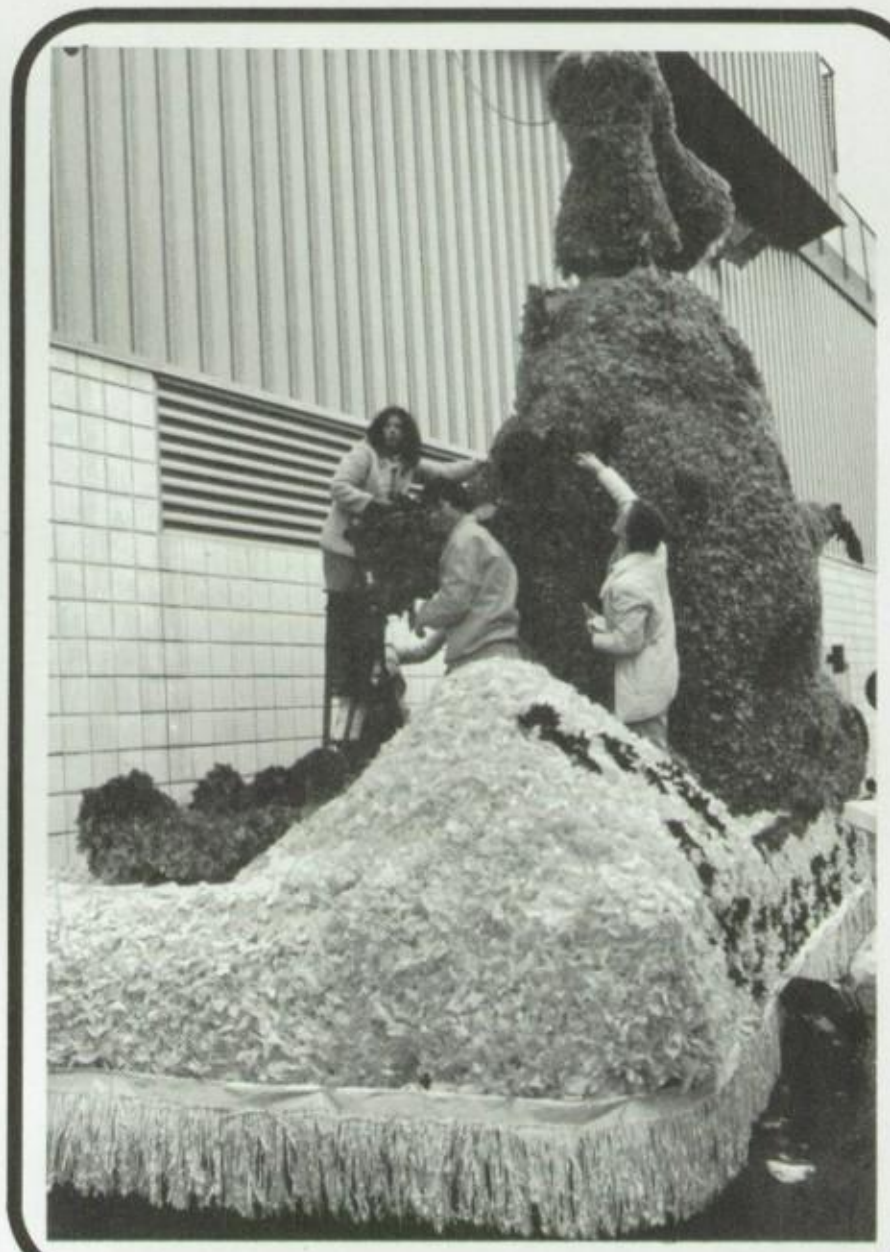
CLOSE UP

The air was filled with music when the Concert Choir performed their annual Christmas Concert. They also took a trip to Indiana University to be judged with choirs from the Pittsburgh area. Selected members auditioned for District and State Chorus and many of them were chosen. Another evening of music to be remembered was the jam sponsored by the Diversified Occupations club. There was a good turnout as Mike Palone and Trian performed a great show. North Allegheny was the site this year for the Pennsylvania Music Educators Association. The orchestra was in the spotlight as several of our NA students were involved.



Student Council was busy with their dances and the annual Christmas charity drive. Still busy, the Class Councils organized the 78-79 Junior and Senior proms. The theme for the Junior Prom was "An Evening in Paris" while the seniors spent the evening on a southern plantation with the theme of "Gone With the Wind."

Aside from their usual task of running the Tiger Shop, DECA took part in the District, State and National Career Development Conferences, where Jamie Fern was elected District II State-District Vice-President.

We'll always have our outdoor lovers. The Yte Water, Mountaineer and Lifetime Sports Clubs were off on their usual adventures. This year they went to Canada and Washington State Olympic National Park.

Homecoming was a busy time for everyone. The cheerleaders sold mums and got everyone in the spirit, while the class councils were building their floats. The Junior float turned out well with "The Jungle Book" and the seniors placed first with "Pete's Dragon."

Bernarda Quintanilla was another AFS student at NA this past year. She came to Pittsburgh in the middle of January, after visiting Chicago and Kansas City. Bernarda was very impressed with the people in the U.S., especially the people of Pittsburgh. She enjoyed her schooling here at NA because of the warm people and because of the coeducational school system. Back home, in Arequisa, Peru, the schools are mainly private and are not coeducational, and the students must take required courses; Bernarda liked the American way much better. Bernarda would also like to visit New York City, Boston and California. In Peru, Bernarda is in her second year of college, where she is studying public relations. Bernarda says she loves everyone here and extends an invitation to anyone who would like come to Peru.

Toni Hite and Beth Boal were the two AFS students who traveled abroad this year. Toni ventured to Santa Fe, Argentina, where she stayed with the Tosello family. Toni attended an all-girl Catholic school in Argentina, and she found it to be much harder than school at N.A. Toni enjoyed the warm and friendly Argentinian people. Although she missed convenience foods, such as diet soda and cereal, she enjoyed their favorite pastime, eating. Toni also had the thrilling experiences of meeting World Cup soccer players, visiting many cities in Argentina, and having a large birthday party thrown for her. After she returned home, Toni finished her studies at N.A. and plans to attend college and major in psychology or economics.

Beth Boal, the second AFS student, traveled to Tokyo, Japan, and found it very much unlike the U.S. The food, bowing, public baths, division between men and women, and driving on the left side of the road were very odd at first, but Beth soon adapted. Beth found high school in Japan to be quite different, and the students and people of Japan to be very friendly, polite, and shy. Beth liked most of the food she was served in Japan, except for raw egg and green tea. She also learned how to use chopsticks. Beth returned to the U.S. at the end of January, 1979, and continued high school at N.A.

North Allegheny's only foreign exchange student this year was Mutsuki Yabe from Japan. Mutsuki liked America very much, and looks forward to returning to America to visit California and Disney Land, especially. Mutsuki thoroughly enjoyed school here at N.A. In Japan, students must go to school on Saturdays, and the school system is much more regimented than the American school system. Mutsuki enjoyed her freedom here. She said she would like to visit other schools and see if everyone is as friendly as they were here at N.A. When Mutsuki returns to Japan, she will go to high school for one and a half years and then go to college in Japan, where she would like to study medicine.

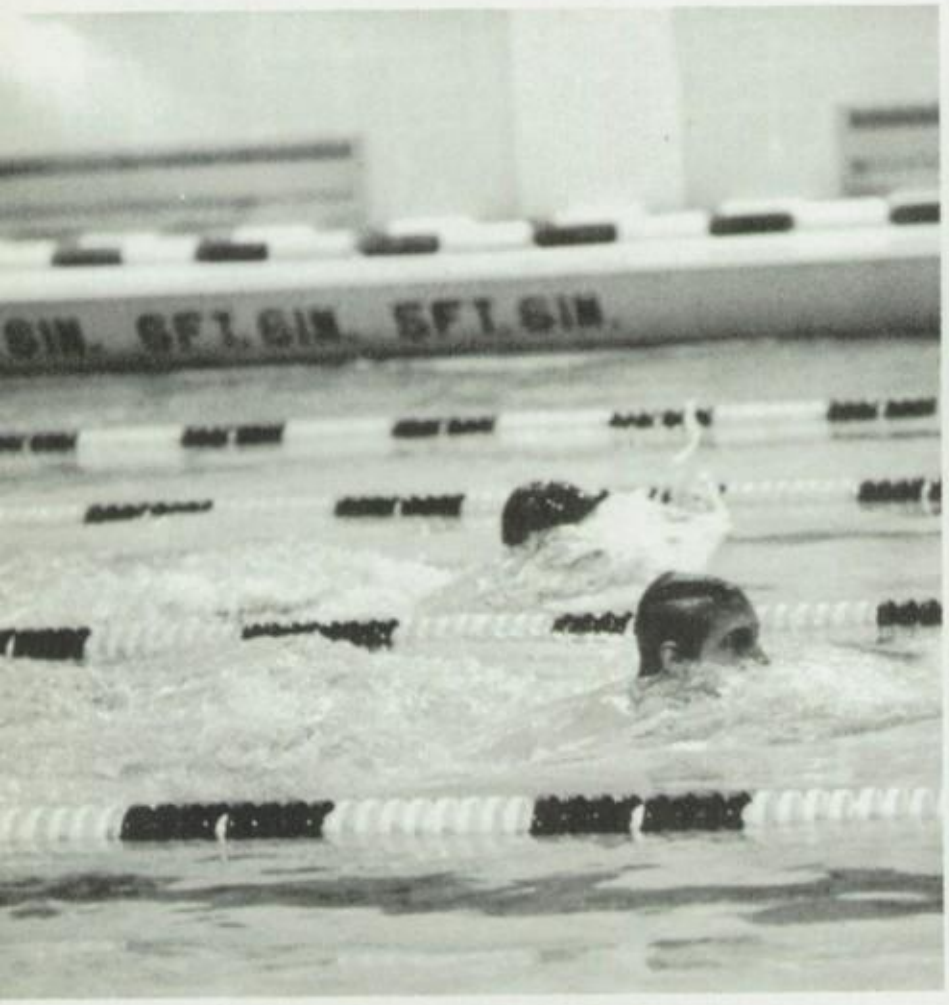
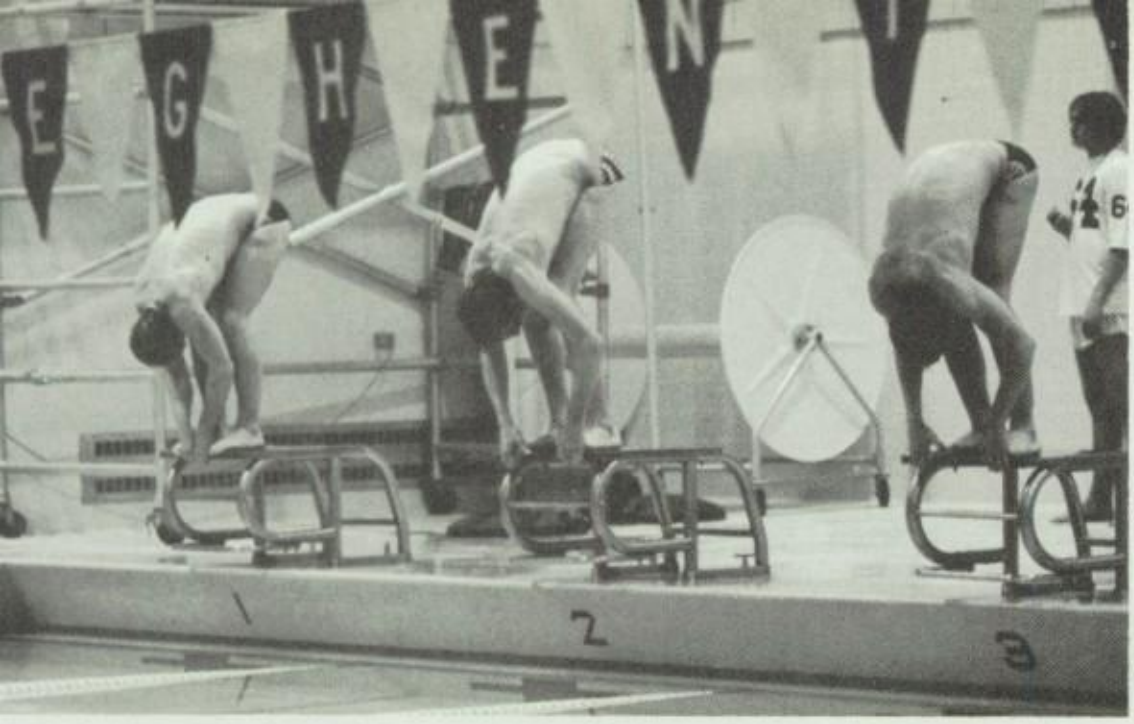
Their season ran from August until the beginning of November, and the girls practiced devotedly everyday after school for 2½ hours. The team captains were Karen Warner and Sally Phoenik.

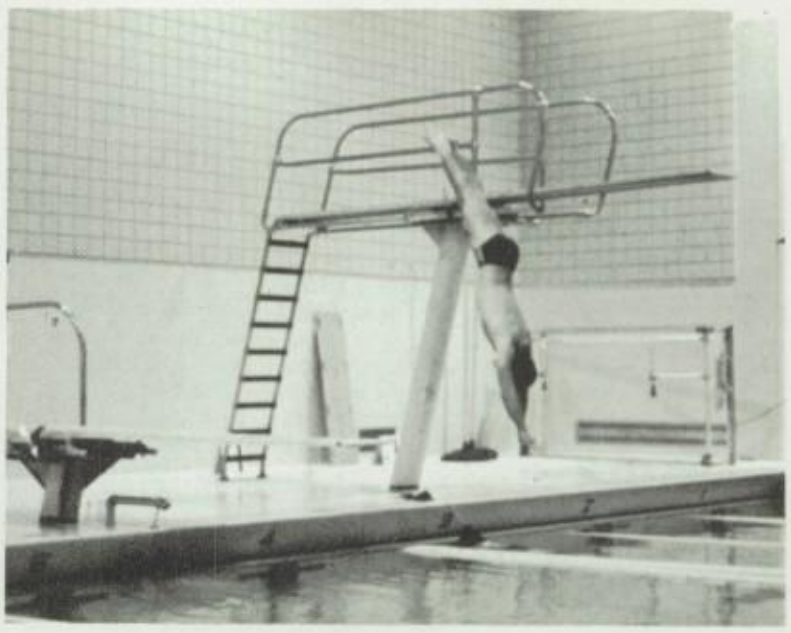
ICE HOCKEY

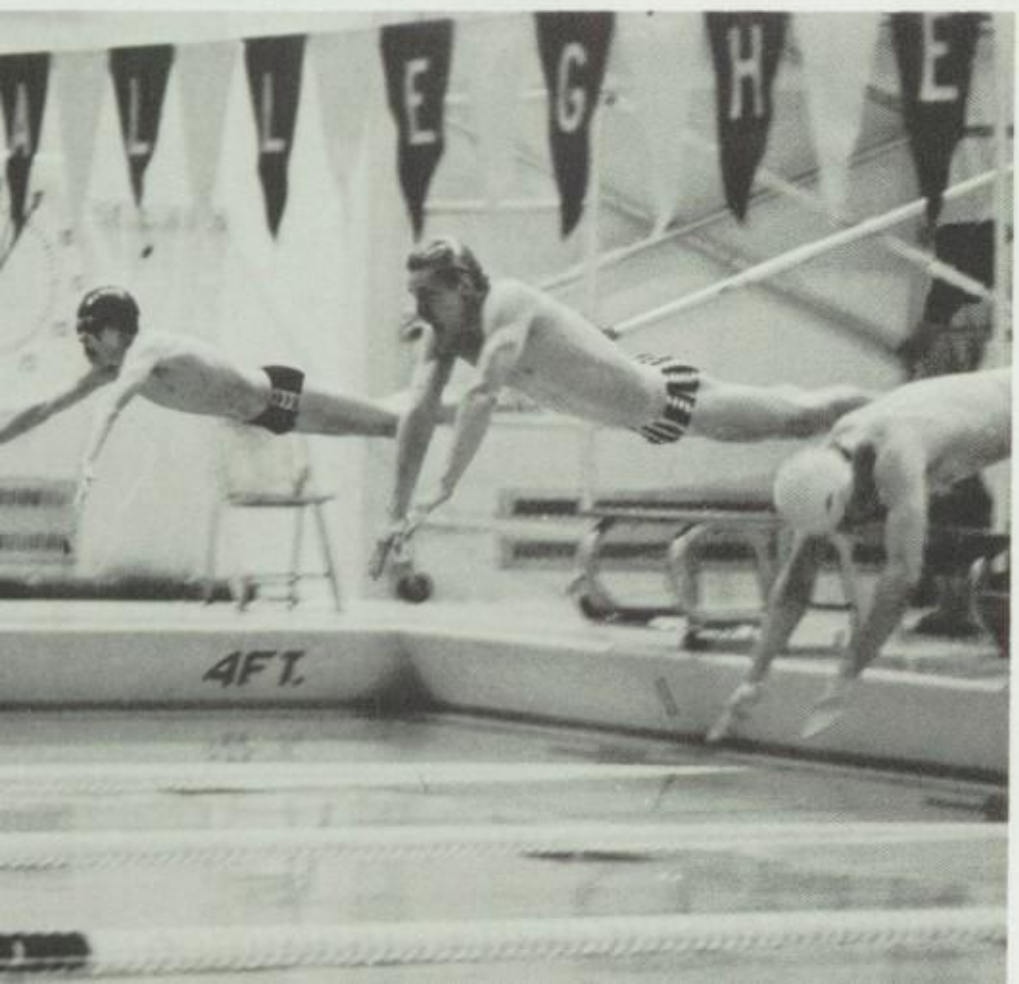
Under the coaching of Mr. Patterson, the 1978-79 ice hockey team had another fine season. The boys practiced long and hard at the Sewickley Arena to improve their already sensational skills. Seniors on the team were Brian Roop, Ken Goss, and Steve Wirth.

BOYS SWIMMING



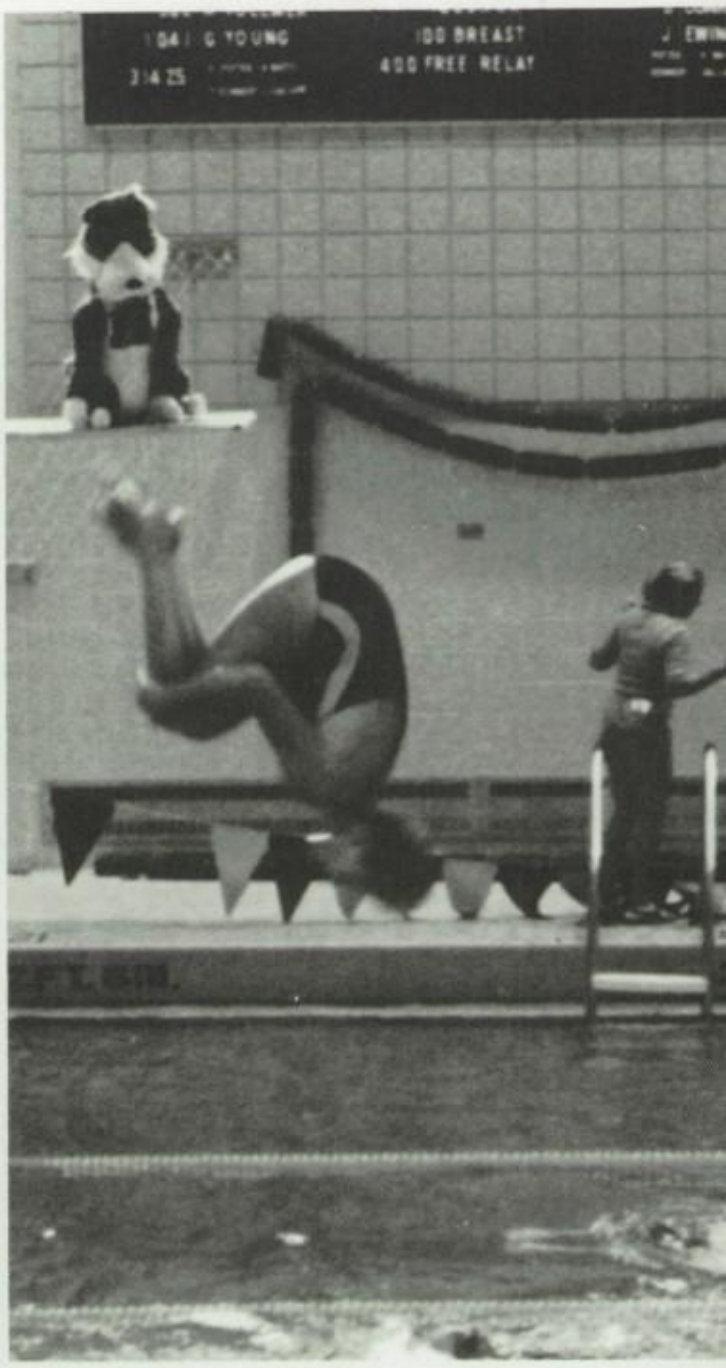




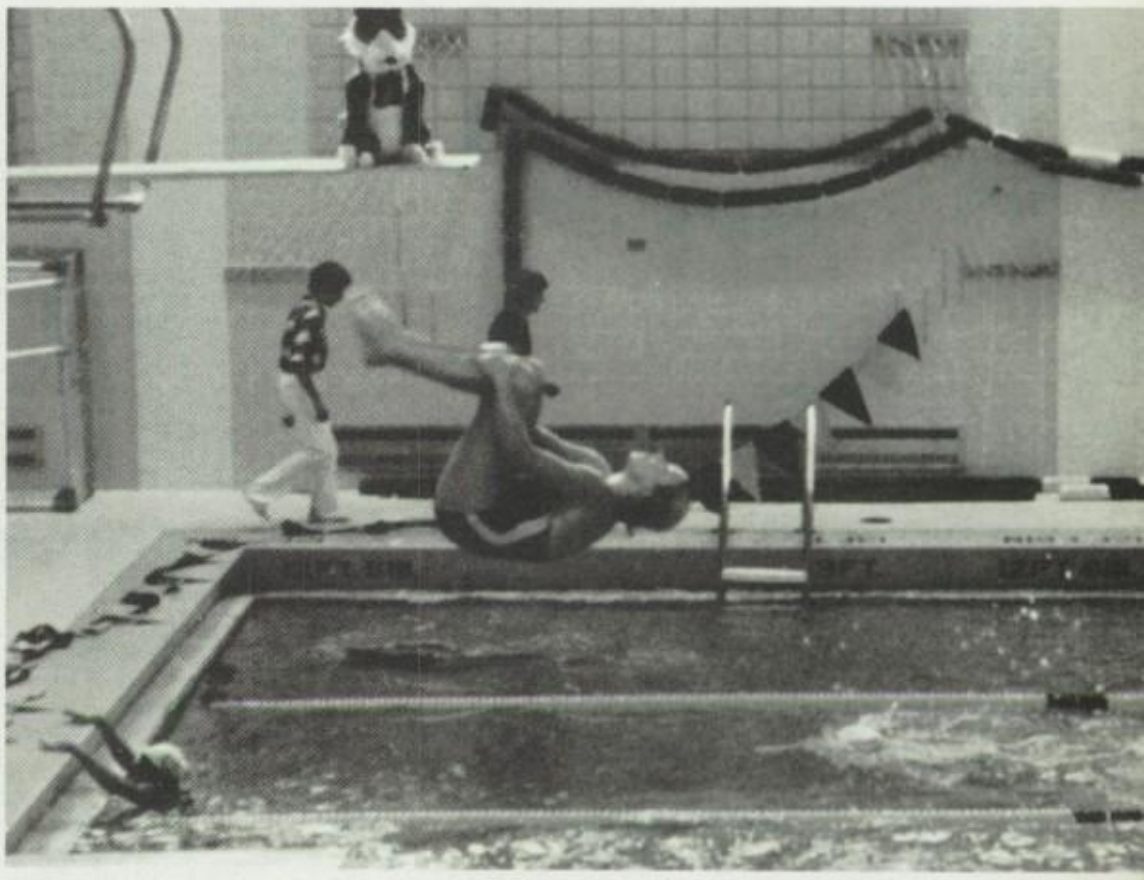


The boys swim team had an outstanding season. The boys practiced long and hard for many hours before and after school. The 78-79 Tiger swim team was coached by Mrs. Jane Wrenshall and Mr. Kirk Semler. The team's captain and co-captain were Randy Potter and Steve Warren. The team ended their season with a record of five wins and five losses.

GIRLS SWIMMING

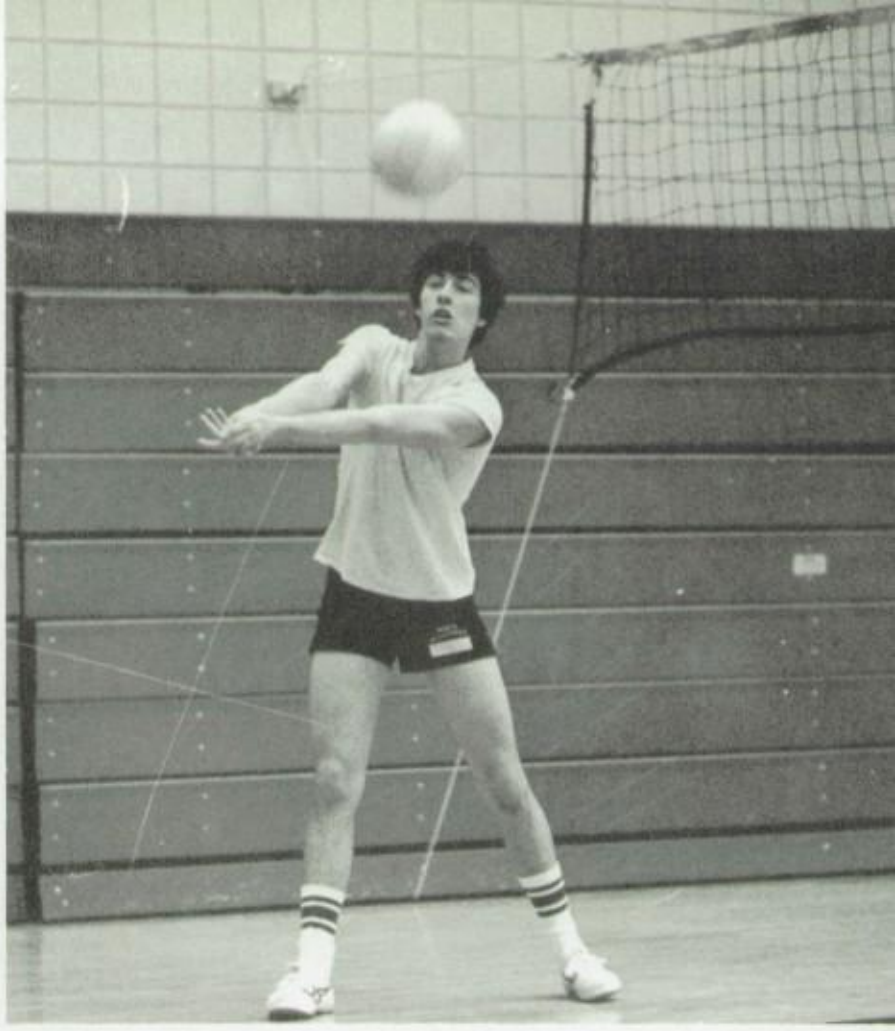


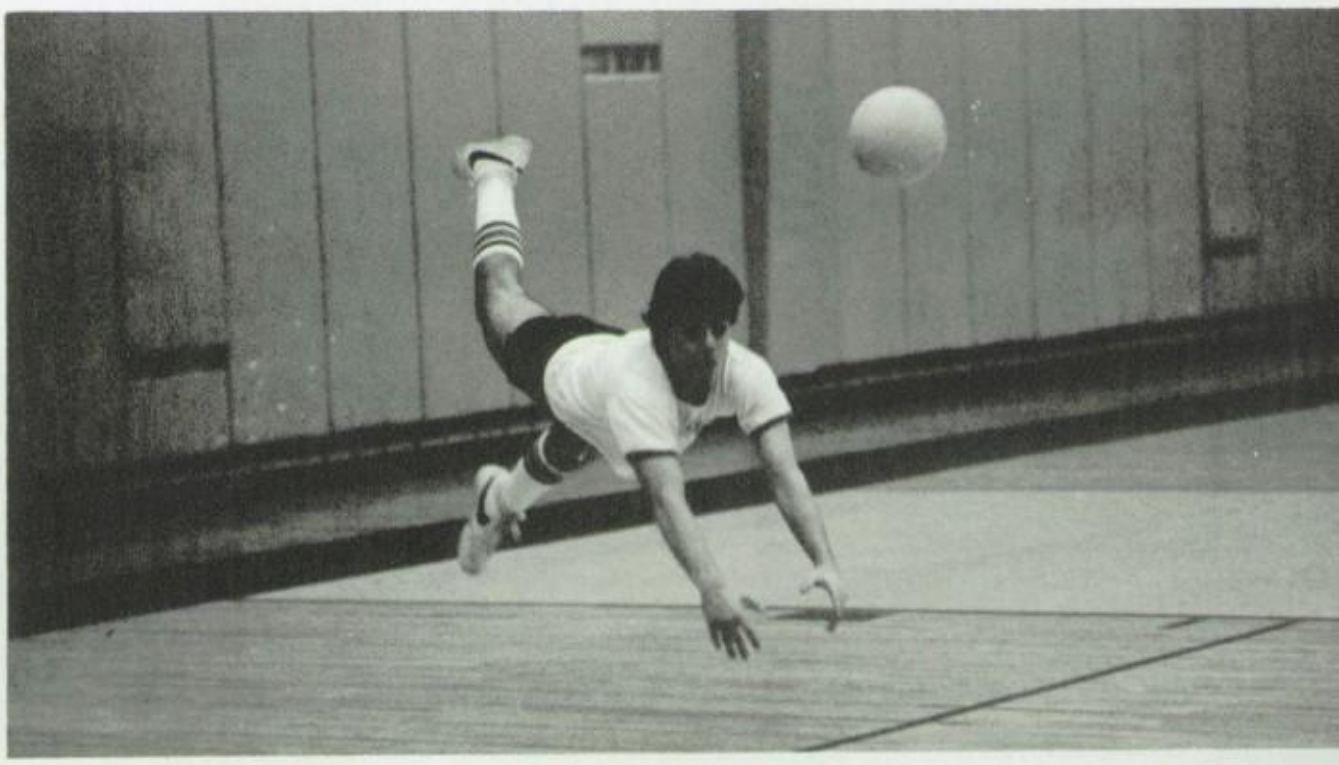
The girls swim team, coached by Mrs. Jane Wrenshall, ended their regular season as section champions with an outstanding record of eleven wins and one loss. They went on to WPIAL competition, where they placed second in team competition, and were runners-up in individual competition. Captains of this year's first class swim team were Lori King and Stephanie King.



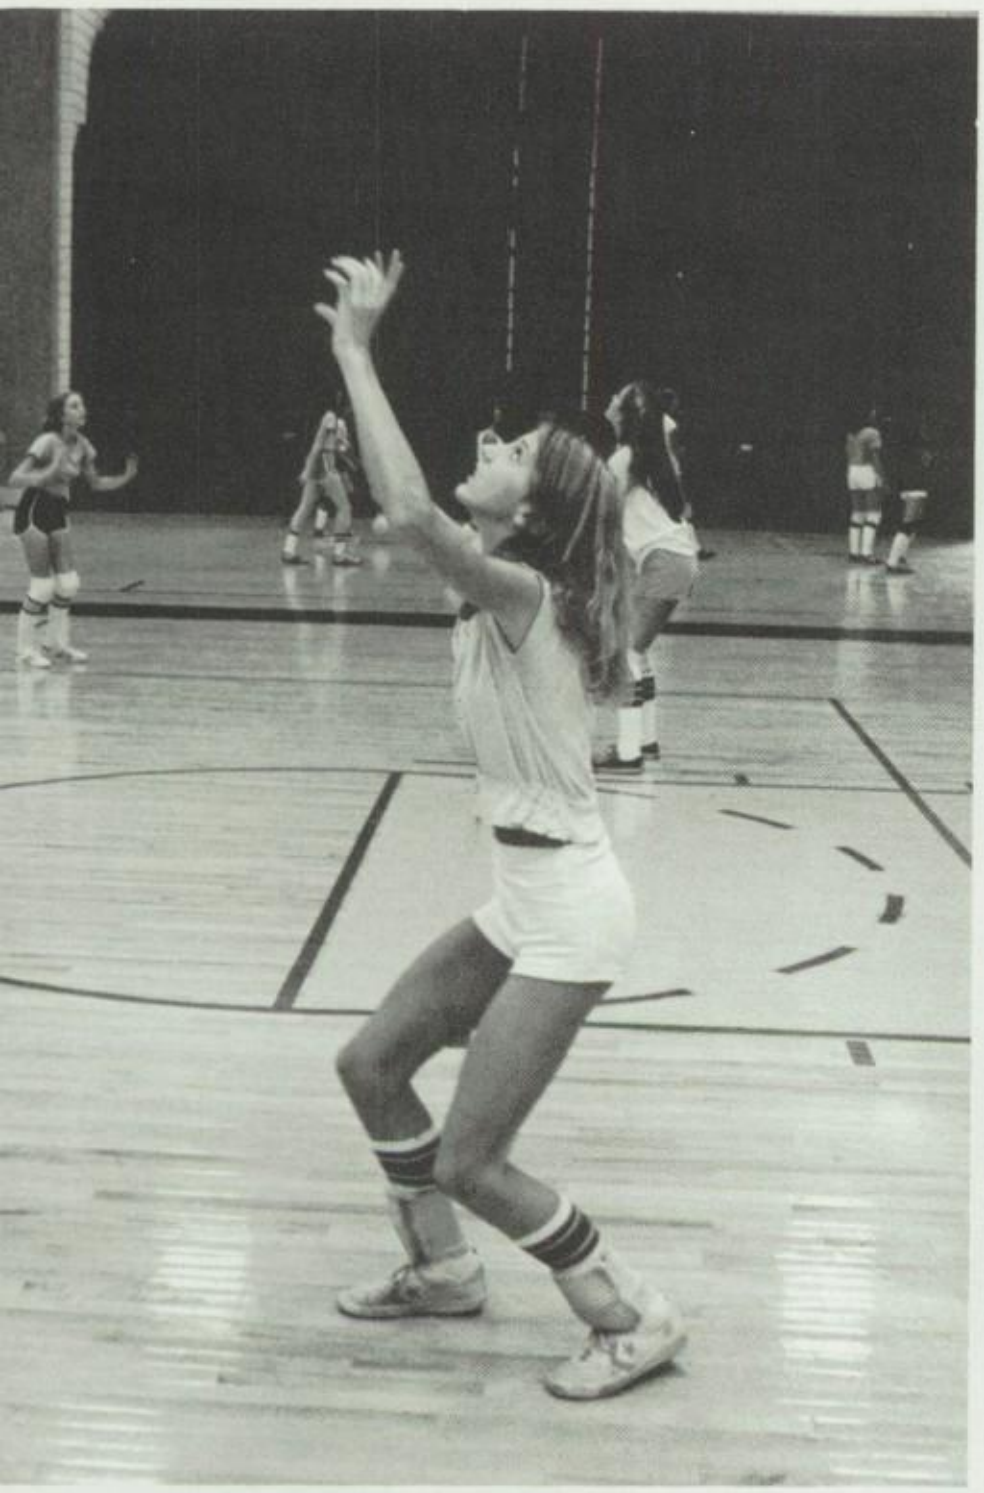
BOYS VOLLEYBALL

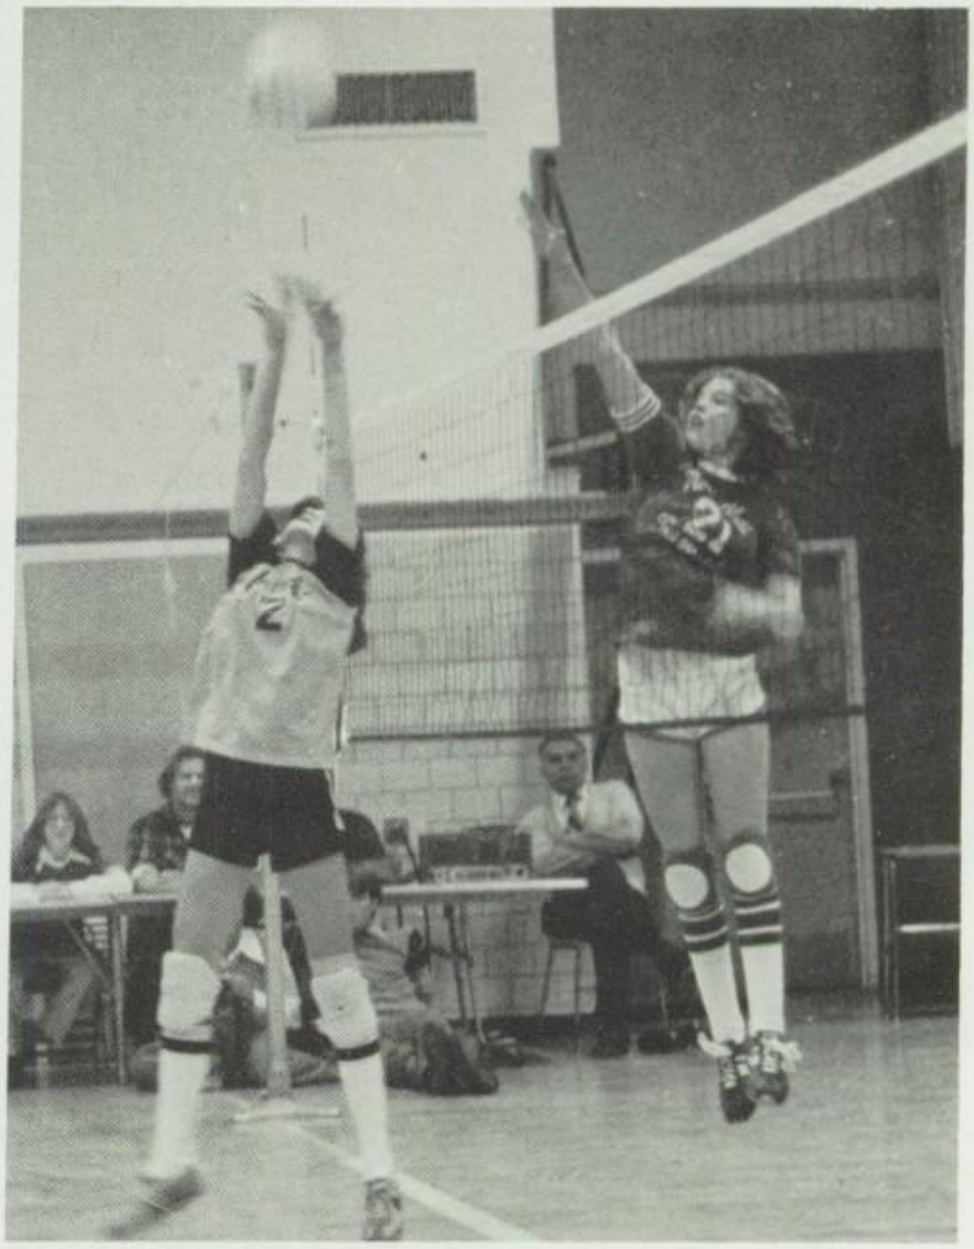
Under the coaching of Mr. Bob Miller, the 1977-78 boys volleyball team completed another super season. For the past seven years the team has never been below second-place in team standings, and in the past five years the team has placed fifth or better in WPIAL competition. The boys season lasted from March tenth until April twentieth; the boys play twenty matches per season and must win the best out of three games. In the 1978-79 season, the team had eleven lettermen returning to help drive the team to another winning season. The captains for the 1978-79 team were Jeff Abt and Joe Wirth.

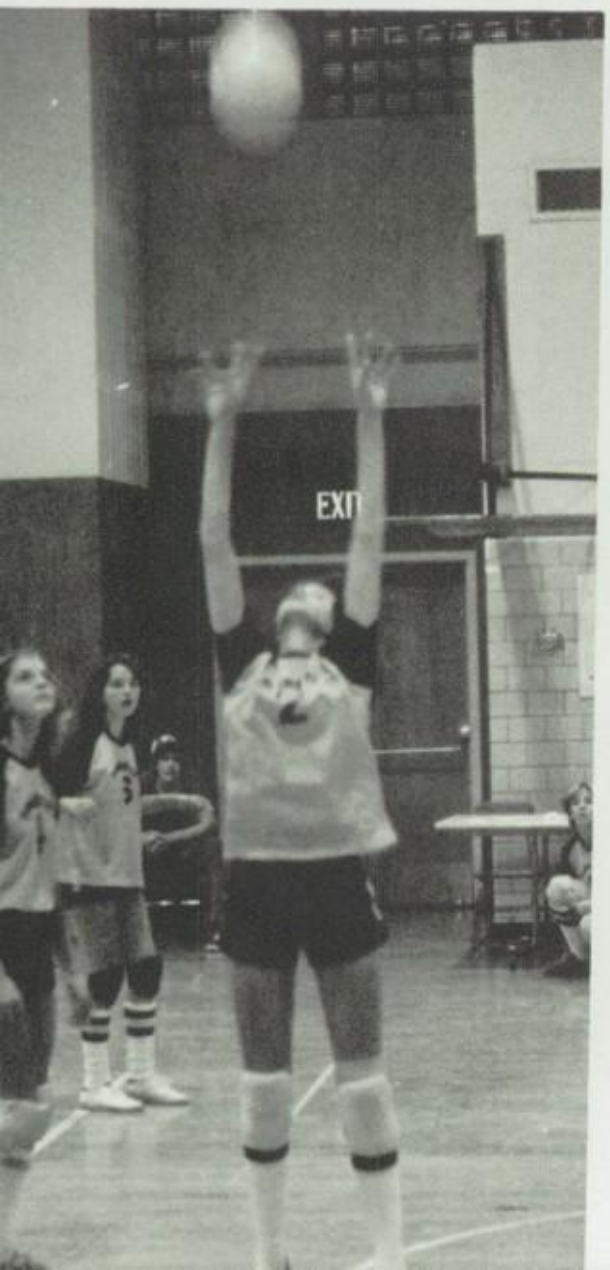


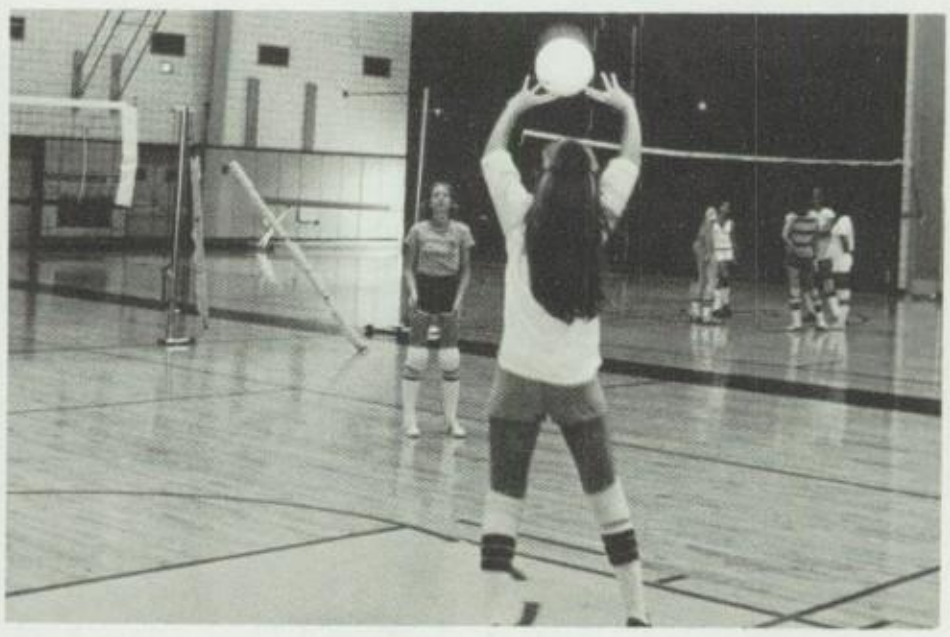


GIRLS VOLLEYBALL



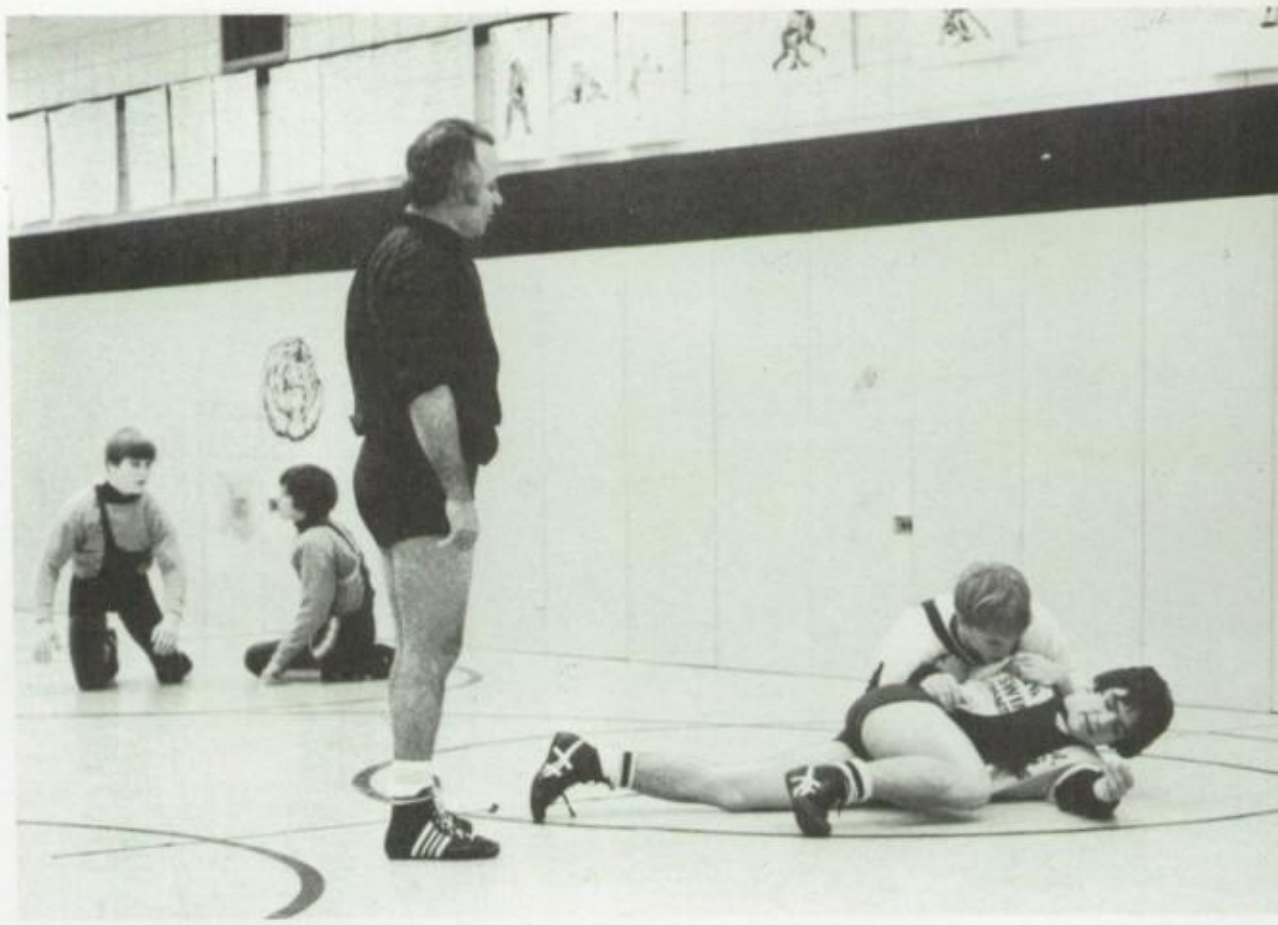


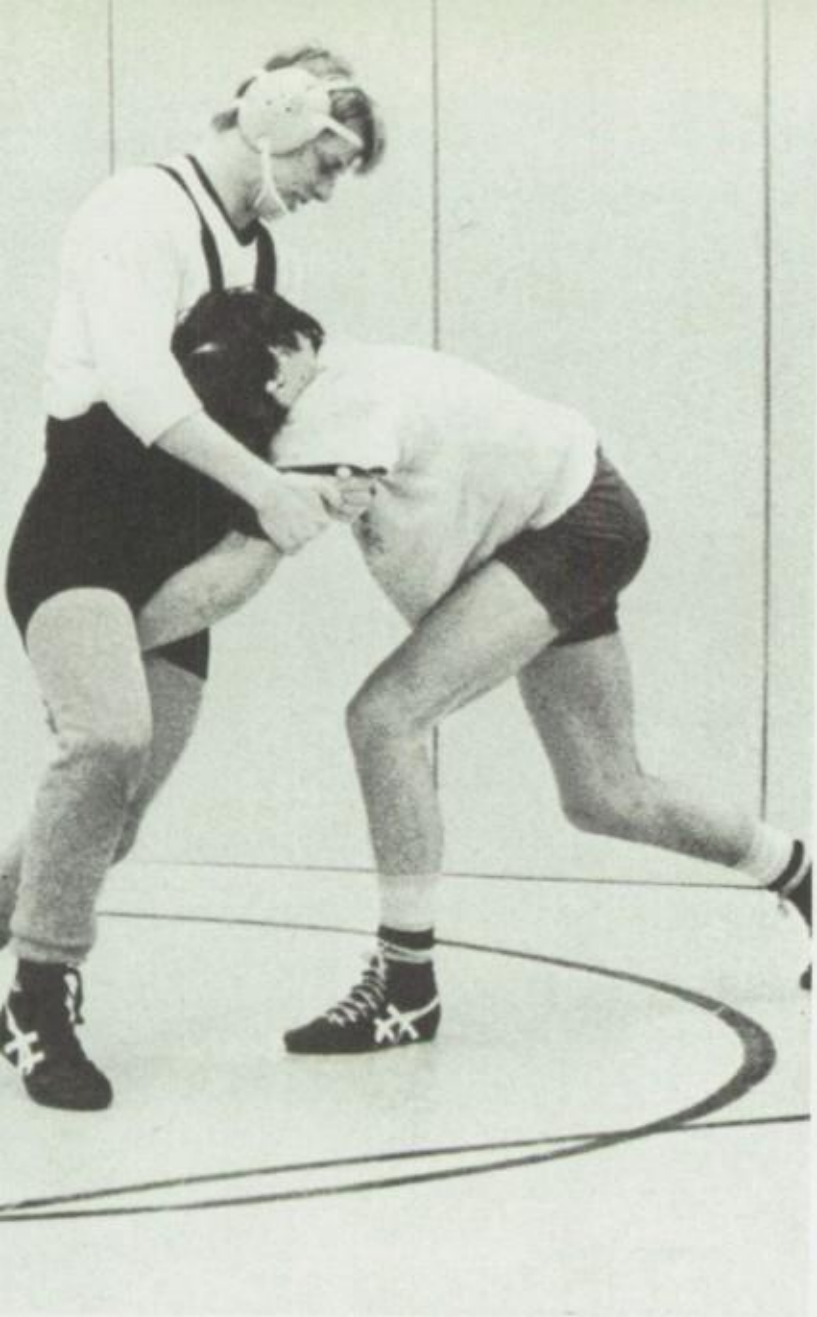


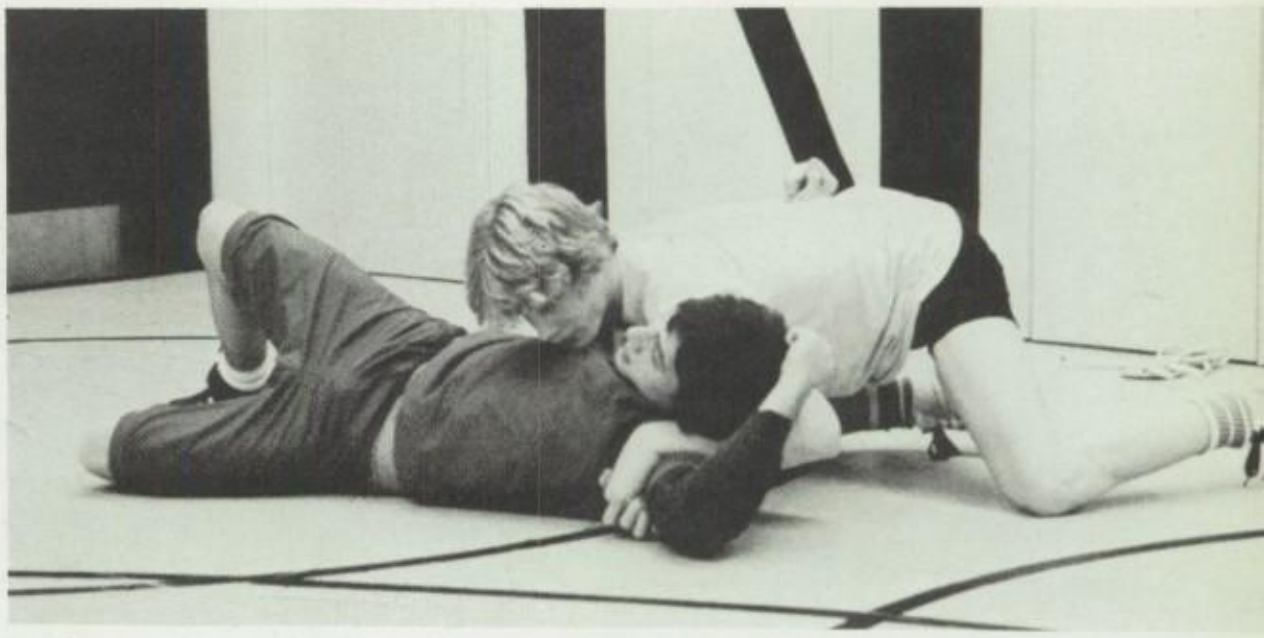


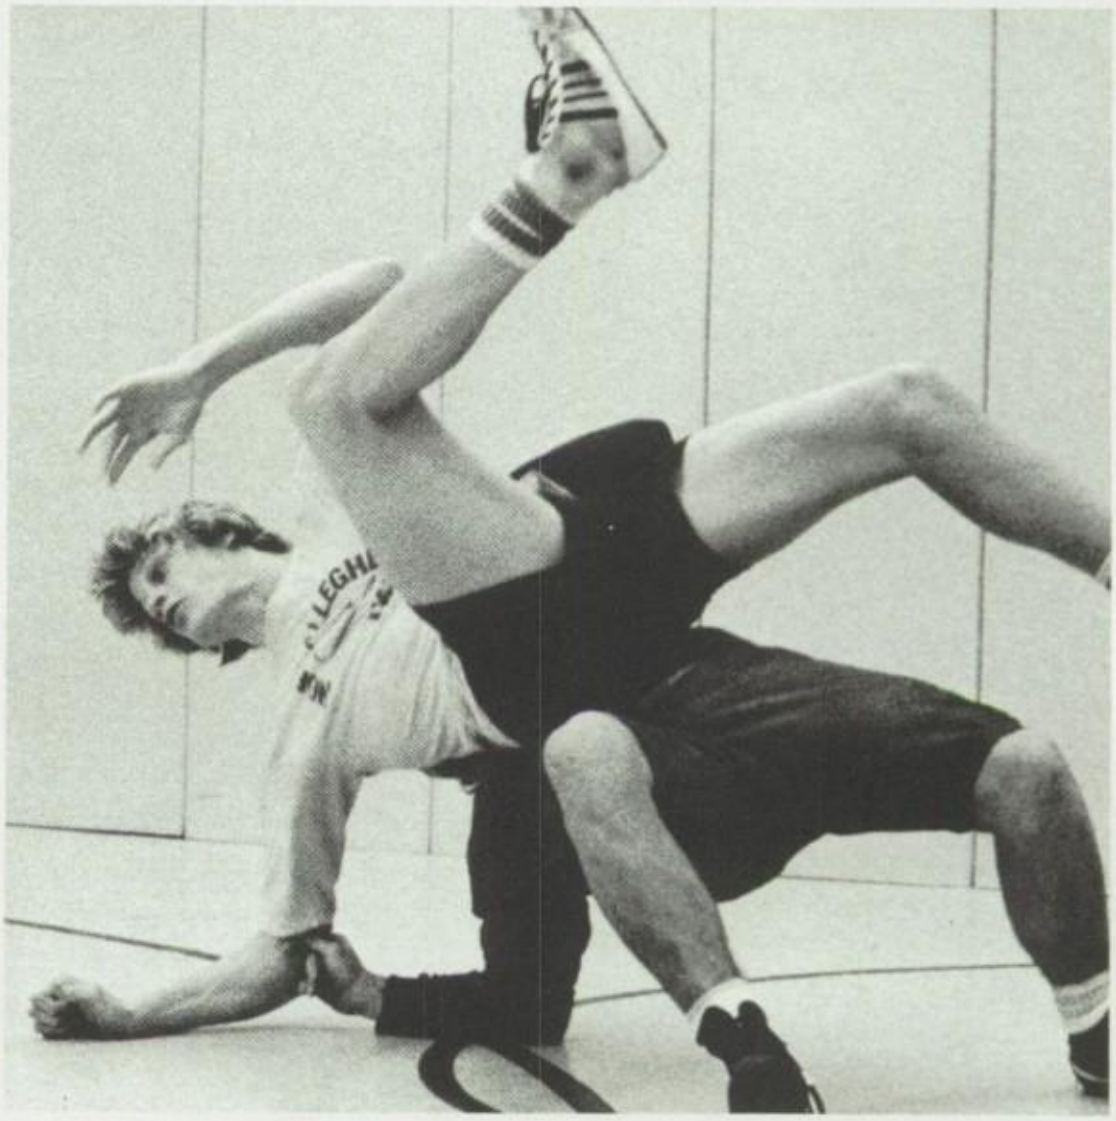
The 1978-79 season was one of many changes for the girls volleyball team. A new coach, Mr. Hidek, supervised the girls and made a few changes in team structure and game strategy. Although the team had a disappointing season, Coach Hidek feels his team will improve greatly over the years. Four seniors were on the team this past year: Lois Murray, Carla Gebhardt, Mutsuki Yabe, and Donna Schaefers. Mutsuki was voted most valuable player, and Donna was a fourth year letterwoman and team captain.

WRESTLING









Once again, under the coaching of Mr. DeAugustino and the assistance of Mr. Davis, the 78-79 N.A. Wrestling team had an outstanding season. Each member was dedicated as an individual, and this was proven through the number of wins. The team also participated in several successful invitational matches throughout the season. The captain of the team this year was Kurt Hertz, and the co-captain was John Sippel.

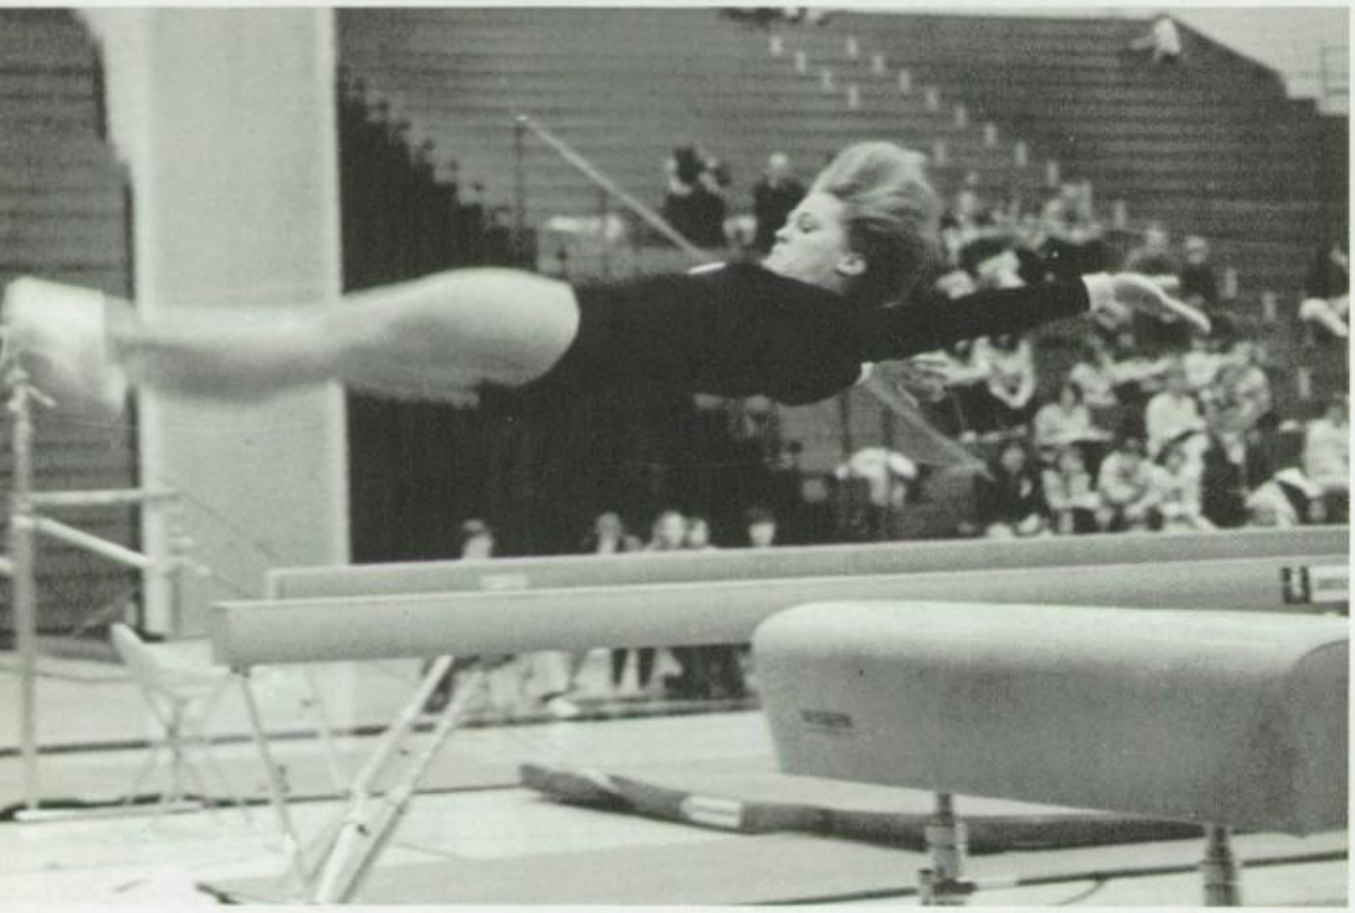
BOYS BASKETBALL

This past year, the members of the boys varsity basketball team had a dynamite season. Mr. Caldwell, a former Northgate coach, led the Tigers in their winning season. This year was Mr. Caldwell's first year at North Allegheny, and he like it very much. Their season began in November and ended in February, and during the summer they played on the Ozanam league on the North Side. The team's toughest competitors this year were North Hills and Valley. The team captain was Joe Koury, who averaged a high eighteen points per game. Other seniors were Jeff Casten, Brett Jordan, Wayne Jelinek, Russ Demor, Gregg Garrity, and Tom Schafer.

GIRLS BASKETBALL

This year the girls varsity basketball team had another super season. The team has been coached for the past three tears by Mr. Fleischauer, who likes working with the team because of the girls' skill and because everyone works together so well. This year, he was assisted by Miss Dieley. The girls season started in November and lasted until February, with their toughest competitor being North Hills. The team plays 23 games per year, and were third in their section in the 1977-78 season. The team mangers were Darlene Schaefer and Diane Altman. Seniors on the team were Betsy Kalmeyer, Lois Murray, Linda Scott, Ann Toth, and Cindy Wheeler.

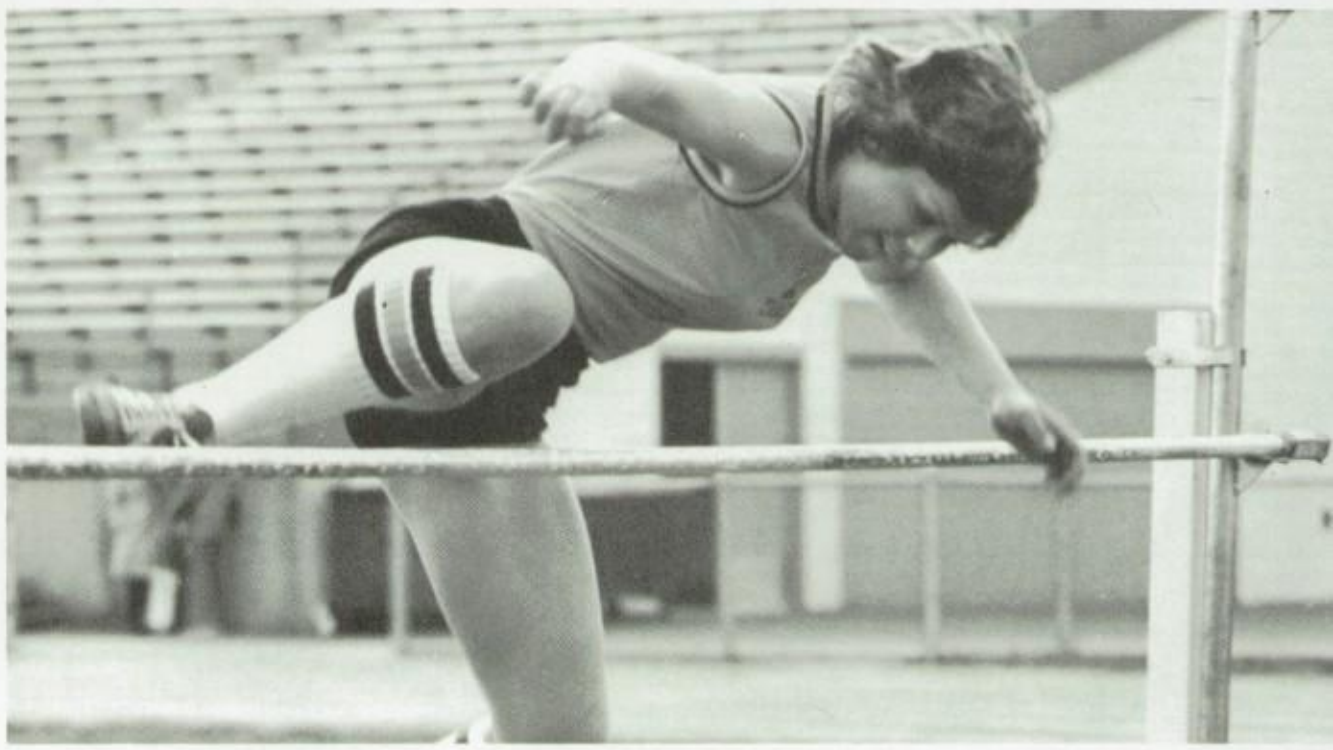
GYMNASTICS



The girls gymnastics team had an outstanding 1977-1978 season, placing fourth at Districts. The girls devoted a lot of time and effort to their successful season. A gymnast needs confidence and discipline to compete, and the girls achieved this with the help of Coach Long. Carol Van Why, Janet Welsh, and LuAnne Eyerman competed in Districts last year. The girls hope to have an equally successful season this year.

BOYS TRACK

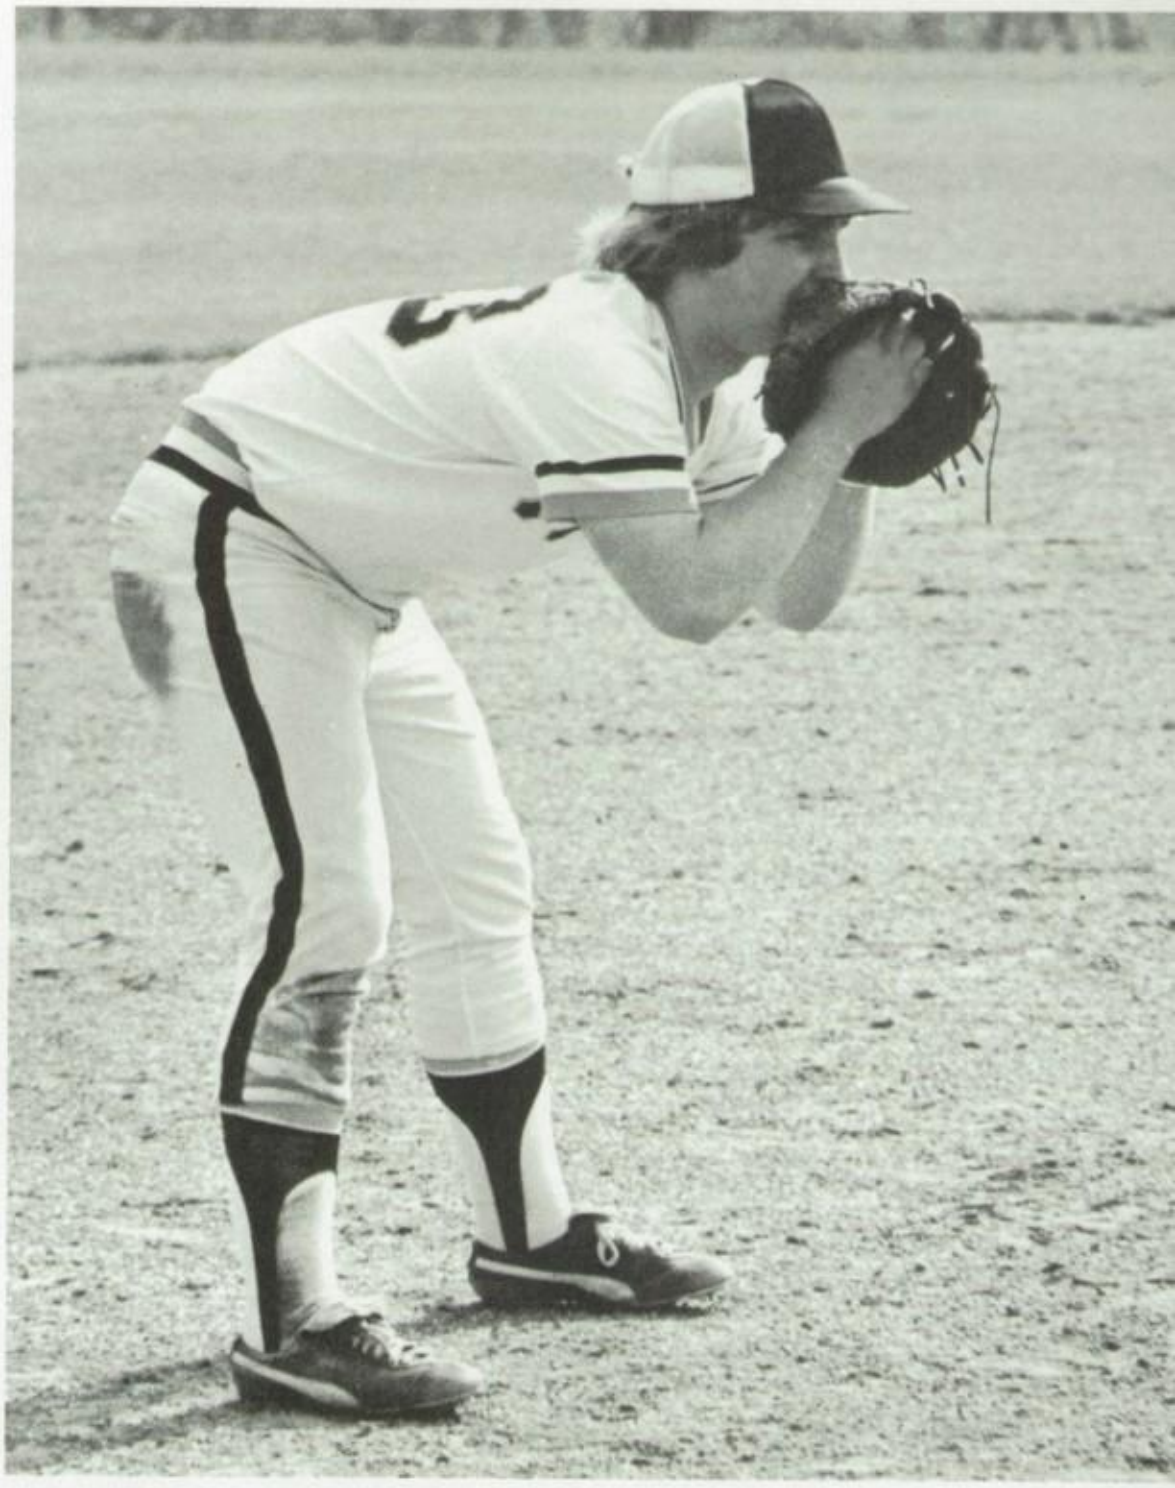
The boys track team had an extremely good season last spring. As of spring 1978, they had a record for not losing a dual meet in the last ten years. During the 1978 season the team defeated opponents in the West Penn Conference, Butler Invitational, WPIAL qualifier, and WPIAL Finals. The team was coached by Mr. Russ Cerny, Mr. Chuck Sabatos, Mr. Larry Long, Mr. Bob Austen and Mr. Rob Theissen. The team is looking forward to another successful season.

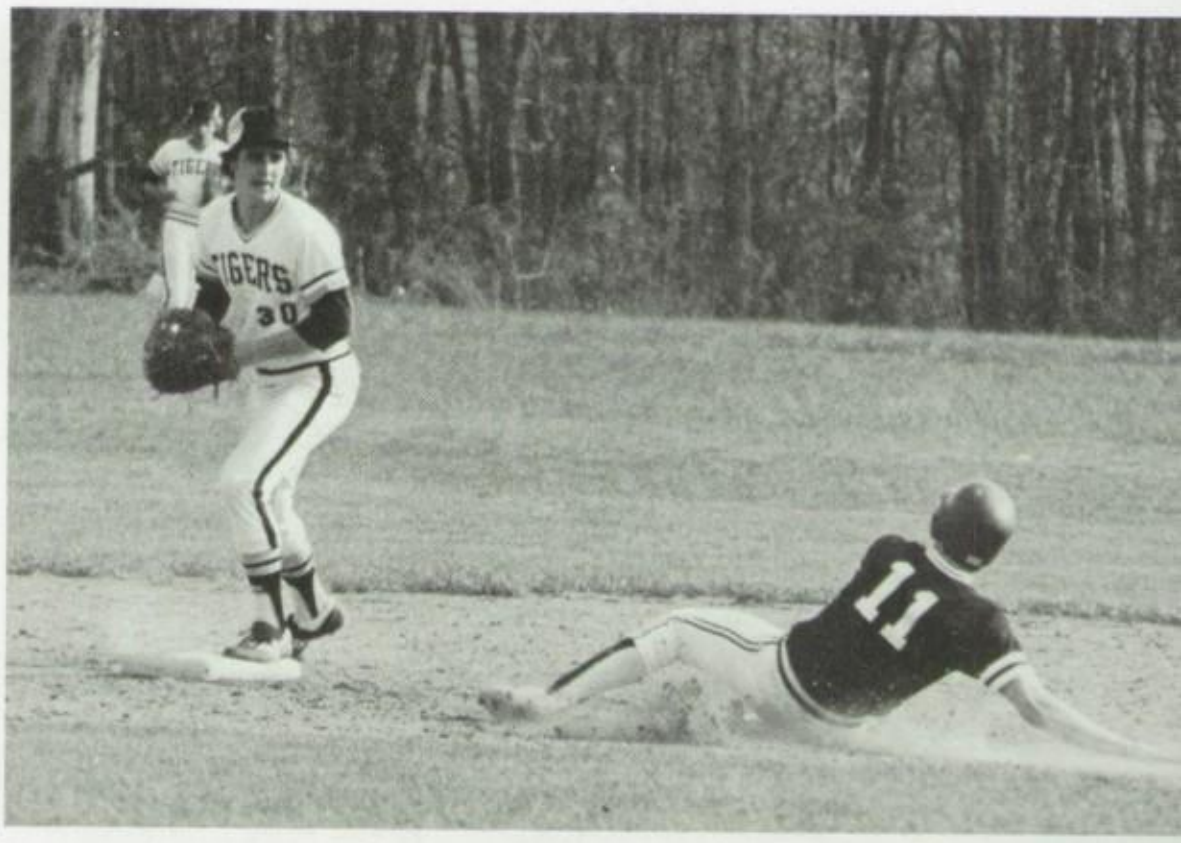


The girls track team did well again this year. In the last five years the girls have only lost two dual meets; they have won three WPIAL relay titles and four WPIAL titles. The captains for the 1978 track season were Terry Brusca, Lisa Anderson, Kathy Warner, and Mary Thatch.

GIRLS TRACK

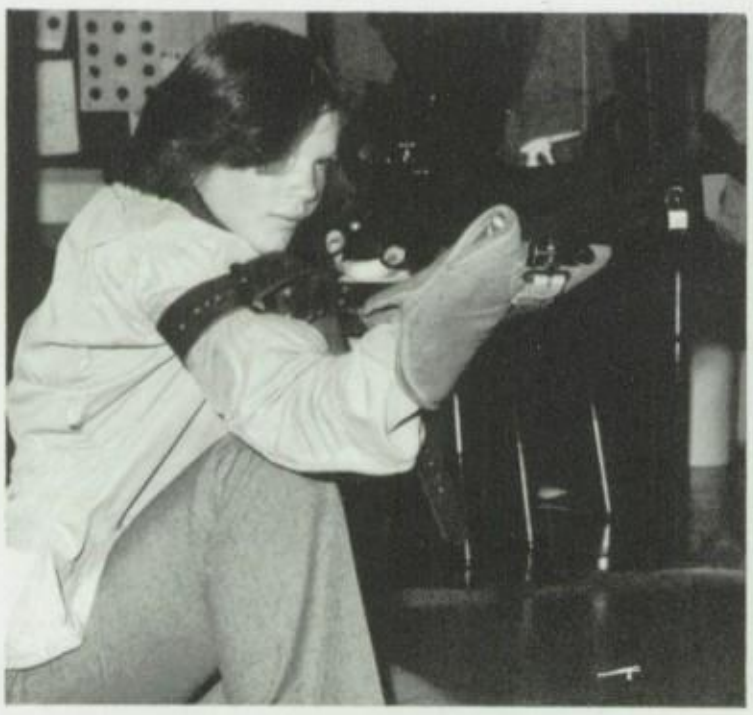
BASEBALL





The North Allegheny baseball team worked hard to have a good season last year. The guys devoted a lot of time at practices preparing for their games. Coached by Mr. Tillack, they are all looking forward to a fine season this year when most of the team will return.

The rifle team this year had a terrific season. Mr. McDonald, in his 11th year of coaching, led the team to a first place position during the first half of their season. The team had 20 to 22 matches per season. They began their season in December and ended it in March. During the last 10 years, the team won the section title 8 times. Their toughest competitors this year were Ellwood City and Fox Chapel. The team averages 994 points out of the possible 1000 per match. The team captains were Jerry Amrhein, Mary Cenkner, and Cindy Wilson.

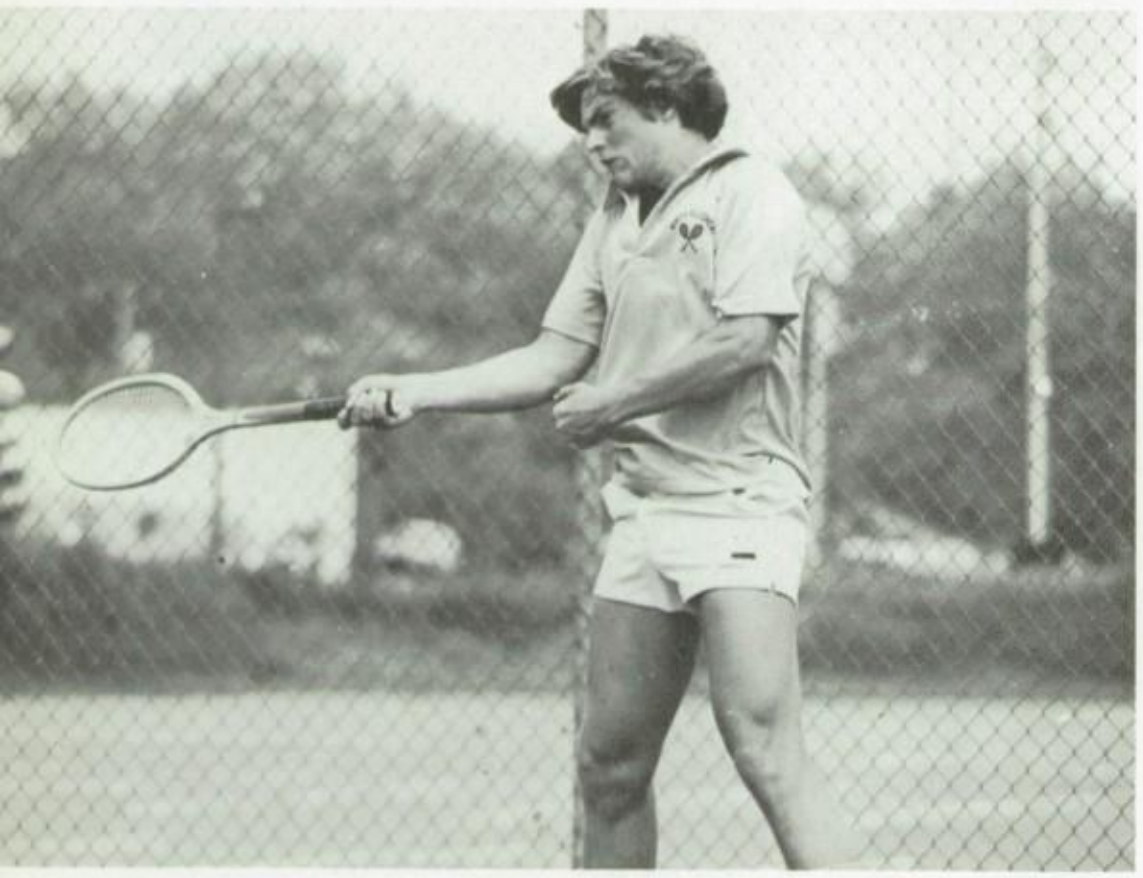


RIFLE

SOFTBALL

In the spring of 1978, the varsity softball team started getting ready for their season. The team was coached by Miss Martin and Mrs. Ross. Their record for the 1977-1978 season was five wins and nine losses, and although the girls did not have a strong season, their spirits were high and their talents were many. During the summer of 1978, six girls went to Shippensburg State College Softball Clinics, where they brushed up on a few softball skills for the coming season.

BOYS TENNIS



The boys tennis team, coached by Mr. Woffington, had yet another successful season in the 1977-1978 school year. The boys worked hard to reach the peak of their abilities, and are looking forward to a winning season next year.

GIRLS TENNIS

The girls tennis team spent many long hours practicing to improve their already excellent skills. Much hard work and determination were displayed by the girls in their effort to achieve their super season. Mr. Sloan coached the team; all are anticipating another winning season.

The boys swim team and the wrestling team did very well this year. The swim team ended their dual meet season with a record of 5 wins and 5 losses. An outstanding job was done by Randy Potter, who broke two school records. Kurt Hertz and John Sippel were captain and co-captain of the 1978-79 Tiger wrestling squad. Kurt and John each received another West Penn title, and each had an outstanding season along with the entire team. The wrestling team's final record was 12 wins and 4 losses.

With the wonderful coaching of Mr. Long, the girls gymnastics team ended their best season ever with a record of 9 wins and 2 losses. The season was highlighted when the team placed second at the Shadyside Invitational.

Received

Dear Melissa
Celia, Willy, Mel etc.)
Well, here we come to
the end of our Junior years
and I can honestly say that it's been
a super part of my life and know
you'll continue to be, we've been through a lot
together this year - Chuckie Super Squirrel, Cheesy - the rest
goes on and on. We've supported each other through good times
and bad like the Musical (you know what I mean) and my boy problems,
problems at home etc... (You know what I mean) and always here
to cheer them before the trouble started. For all those
times you cheered me up, held my hand, made me see what I'll be
rather not, I'd like to say thanks. I know there's more
good times ahead for us! Let's make the most of them
in Europe so Look out Paris here we come!

P.S. Good Luck with
yours truly!

Love ya
Name

Melissa,
To a super
nice girl I met this
year. It's a pleasure
to be with you, although
I don't get to see very much of
you. Have a fantastic time in
Europe and I hope you'll keep in touch
over the summer (366-9795).
Love, mommom
P.S. I'm glad I met you
my friend. Take care & don't
let things get to you so much.
